Land Patents Land patents secured for settlers in the shortest possible time.

Contested Cases Contested cases intelligently and skillfully handled,

Old Claims and Disputes

Old claims and disputes speedily settled.

Between individuals having conflicting claims under the agricultural land laws, and those between claimants under the Mineral Laws and agricultural claimants; and also between claimants under any of the public land laws and the Railroad companies and their grantees, and the states and their grantees, under the Swamp-Land and School-Land Grants.

Specialty made of securing patents in the shortest possible time for settlers who have complied with the laws under which their entries were made, and who are annoyed and worried by delays in the issue of their patents, caused by Trifling Inservites which can be easily and specific removed.

Irregularities which can be easily and speedily removed.

Advice also given in all matters relating to the public lands, especially on points arising under the new laws which have been recently passed providing for the disposal of the public domain.

If you want your land patent in a burry—if you want your land business, of any character, attended to by skillful and competent attorneys, and promptly dis-
