A VETERAN'S VERDICT.

The War is Over. A Well-known Soldier, Correspondent and Journalist Makes a Disclosure.

Indiana contributed her thousands of brave soldiers to the war, and no state bears a beeter record in that respect than it does. In literature it is rapidly acquiring an enviable place. In war and literature Soloman Yewell, well known as a writer as "Solo." has won an honorable position. During the late war be was a member of Co. M., 2a. N. Y. Cavairy and of the filts Indiana. Infantry Volunteers. Regarding an important circumstance he writer as follows:

"Several of us as veterans here are using Dr. Mies. Entertaint Nervine, Heart Cure and Nerve and Liver Pilis, all of them giving splendid satisfaction. In fact, we have never used removed to the qualities required in a preparation of the qualities required in a preparation of their mature we have ever known. We have none but words of praise for them. They are the outstrosch of a new principle in needleine, and toge up the system wanderfully. We say to all, try these remodies."

Land patents secured for settlers in the shortest possible time. Contested Cases

Old Claims and Disputes

Contested cases intelligently and skillfully handled,

Old claims and disputes speedily settled.

Contests

Between individuals baving conflicting claims under the agricultural land laws, and those between claimants under the Mineral Laws and agricultural claimants; and also between claimants under any of the public land laws and the Railroad companies and their grantees, and the states and their grantees, under the Swamp-Land and School-Land Grants.

Specialty made of securing patents in the shortest possible time for settlers

who have complied with the laws under which their entries were made, and who are annoyed and worried by delays in the issue of their patents, caused by Trifling Irregularities which can be easily and speedily removed.

Advice also given in all matters relating to the public lands, especially on

points arising under the new laws which have been recently passed providing for the disposal of the public domain.

If you want your land patent in a harry—if you want your land business, of any character, attended to by skillini and competent attendeds, and promptly dis-
