Ed. R. Bishop, of Heppner, in writing one of the letters on "hard times" published in the Portland Oregonian, says, "Get out of debt and stay out of debt" is good advice. The best that can be offered. Mr. Bishop has undoubtedly been reading the East Oregonian. East Oregonian's Mr. Bishop's letter to the Oregonian, in response to a request sent him recently, was one of the best published so far. The Gazette regrets that we cannot give it space in our columns.

In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1 per bottle.

Dan Stalter's team Saturday last grew restive under the restraint of bits, up near R. O. Hart's, and taking advantage of the opportunity began kicking, throwing Dan to terra firma, laming him considerably. His companion, whose name we did not learn, remained with the rig, however, until the horses got loose. The runaways were captured on the street here, and after all did little damage.

Sunday last Frank Whetstone and Bob Wilkins came together down at the Belvedere. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." It is pleasant to the taste, easily borne on the stomach and harmless under prolonged use. Price \$1.00 per bottle.

Col. J. W. Redington sent Fred Sherman a fine lot of garden and flower seeds a few days ago, and for this Fred is very thankful. But as the extreme high winds have blown Johnny's fence down a number of times lately, Fred suggests that an invoice of new cedar posts would have been much more appropriate.

Dave Porter and Nels Magnusen while in yesterday from Lexington were seen by a Gazette reporter to whom they gave the information that much fall-sown grain had been blown out, and so far the dry weather has interfered with spring grain. COUNCIL MEETING.—Council met in regular session last evening, all councilmen present except Farnsworth and Horner, recorder Hallowell, acting mayor, presiding, and Marshal Roberts in attendance. Minutes of last regular session read and approved. Bills allowed: N. S. Whetstone, \$1.50; Dave Drannon, \$1.50; J. E. Masterson, \$1.50; Gilliam & Bisbee, \$3; A. M. Slocum, \$1.75. The bond of A. A. Roberts, as marshal of the town of Heppner, was examined by the committee on finance and on their recommendation was accepted and placed on file with the recorder. The committee on streets and public property recommends that the bridge near Mrs. Welch's be braced and repaired. Also accepted the report of the marshal as to repairs on the bridge across Willow creek, near E. G. Sperry's residence. The marshal suggested that backyards and all streets be cleaned up immediately, and his suggestions were favorably received. The ordinance licensing Chinese laundries was read first time by section, and on motion the rules were suspended and the same read the second time by title. The petition of Henry Heppner et al., that the Heppner Light & Water Co. be asked to use their large domestic reservoir for domestic and irrigating purposes, instead of the small reservoir known as the "Ayers reservoir," was laid on the table for further action. On motion the marshal was instructed to examine the reservoirs at least once a month and to report on same at the first meeting in each month. Council adjourned.

When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and becomes dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1 per bottle.

A FALSE ALARM.—While patching up our steam whistle Friday afternoon, in other words, tuning down that nearlly squeal to a decent whistle, some noise was made, and in response a number of gentlemen invaded our office with the idea that, perhaps, there was either a fire or that the fighting editor had been licked. Among them were three sheep-buyers—strangers. The Gazette is grateful that they should be so solicitous as to our welfare, for some day we may whistle for our friends, and need them badly, too. The force took time by the nineteenth century bang and lost no time in stating its true position, and received from each and every one of our Friday callers the promise to respond if called upon.

EASTER SERVICES.—Last Sunday evening at the M. E. church, Easter services were held which consisted of a very interesting program of recitations and songs. The little folks did very well indeed, their renditions being alike creditable to themselves and to their instructors. The solo by Miss Anna Brown and the duet by Miss Brown and Mrs. W. P. Dutton were finely rendered and very much appreciated. The Gazette congratulates those who had the affair in charge on the successful consummation of their plans, and believes that they have the thanks of all who were permitted to be present for so delightfully entertaining them on that occasion.

DEATH OF JACK CASTWELL.—A telegram was received yesterday afternoon announcing the sad news of the death of Jack Castwell, who went west a few days ago to have an operation performed for appendicitis. The operation was performed Saturday last, we are informed, and from it Jack never rallied. He was a most exemplary young man and had a host of friends. For some time past he was in the employ of the O. R. & N. at Heppner, and his duties were discharged at all times in an efficient manner. The remains will undoubtedly reach here tonight for interment. The sympathy of all goes out to the sorrowing relatives in their deep affliction.

Rev. E. P. Greed will tell you some interesting truths tonight at the M. E. church, in his subject, "Life's Lessons in Rhyme." Admission, 15c and 25 cents.

"Life's Lesson in Rhyme" is Rev. E. P. Greed's subject tonight, instead of "Life in Rhyme." Small mistake, but come out to hear the lecturer. It will be interesting and instructive.

Ben Swaggart shipped 720 cans of his "Sure Shot" squirrel poison over into Washington today. This is the result of his having carefully introduced his poison in that country last season.

A Veteran of the Mexican War. Oak Harbor, Ohio.—"I met Geo. O. Momeny, an old veteran of the Mexican war, on the streets today, who told me that after reading about Simmons Liver Regulator he bought a bottle, and the first three doses gave him immediate relief."—Geo. Gosline. Your druggist sells it in powder or liquid; the powder to be taken dry, or made into a tea.

FOR SALE.—A thoroughbred registered Hereford bull—Maywood, No. 28,606. This bull was bred in Illinois by Geo. J. Baker, and is just the animal you want to breed a oak that will bring a good price. I will sell cheap as I have another of same stock; or will trade for good milk cows.

Our readers will find Simmons Liver Regulator advertised in these columns. We advertise it, and use it, and we recommend it as a safe and excellent medicine. We became acquainted with it in Georgia where it is a standard family medicine. We do not deny the merits of other preparations, but simply state that this one commands confidence.—Lanesboro (Minn.) Journal.
