B. F. Swagart is prepared to furnish his "Sure Shot" squirrel poison in wholesale lots. He has already received a large order from Washington and Idaho. Every where it has been used, it has not failed to exterminate the little pests.

Sam Palmer departed Monday for the East. His band of sheep, which he was started several days since under the supervision of Bob Foster, are now well on the way. Sam promises to be back next season for a larger number of sheep than he purchased this year.

When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. It allowed to remain the trouble will ultimately reach the kidneys and become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1 per bottle.

Alvah Leach, of Lexington was quite badly hurt yesterday morning by the breaking down of a scaffold at the Casey house in this city. He and his brother were at work on the scaffolding some twenty feet above the ground when a cross piece gave way precipitating them both to terra firm. In going down they struck another scaffolding underneath with sufficient force to break it down. Alvah received injuries sufficient to lay him off for a few days, but fortunately no limbs were broken. His brother was more fortunate, and aside from a thorough shaking up, no serious damage was done to him and he was soon at his work again. It was rather a fortunate escape all around, considering the distance of the fall.

From reports we learn that the crop outlook of the Hardman and Eight Mile sections is good, though the cool weather has kept the grain back some. Squirrels are doing an immense amount of damage in this locality, but as yet the crops are not suffering badly from the lack of rain. However in the western and northern parts of the county the heavy rain and the squirrels together has nearly destroyed the crop and the outlook is anything but encouraging.

In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat the sun's rays we feel tired, half sick and lowly spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1 per bottle.

**AGRICULTURAL QUARANTINE REGULATIONS.**

At a special meeting of the Oregon State Board of Horticulture, held in Portland April 2, 1895, all members present, the following regulations were adopted, in accordance with the laws regulating such matters, and are, therefore, binding upon all persons. The regulations are to take effect and be in force from and after May 4, 1895:

Rule 1—All consignees, agents or other persons, shall, within twenty-four hours, notify the quarantine officers of the State board of Horticulture, or a duly commissioned quarantine guardian of the arrival of any trees, plants, buds or cions at the quarantine station, in the district of final destination.

Rule 2—All trees, plants, cuttings, grafts, buds or cions, imported or brought into the state from any foreign country, or from any of the United States or territories, are hereby required to be inspected upon arrival at the quarantine station in the district of final destination, and if any such nursery stock, trees, plants, cuttings, grafts, buds or cions are found to be free of insect pests and fungous diseases, the said quarantine officer or duly commissioned quarantine guardian shall issue a certificate to that effect. And furthermore, if any of said trees, plants, cuttings, grafts, buds or cions are found infested with insect pests, fungi, blight or other diseases injurious to fruit or to fruit trees, or other trees or plants, they shall be disinfected and remain in quarantine until the quarantine officer of the State Board of Horticulture or the duly commissioned quarantine guardian can determine whether the said trees, plants, cuttings, grafts, buds or cions are free from live injurious insect pests or their eggs, larvae or pupae, or fungous diseases before they can be offered for sale, gift, distribution or transportation. All persons or companies are hereby prohibited from carrying any trees, plants, cuttings, grafts, buds or cions from without the state to any point within the state beyond the nearest point on its line or course to the quarantine station in the district of ultimate destination, or from any point within the state to any other point therein, until such trees, plants, cuttings, grafts, buds or cions have been duly inspected, and if required disinfected as hereinbefore provided, and all such shipments must be accompanied by the proper certificates of the inspecting officer. Provided, however, that after such persons or company has given the proper officer four days' notice, he or they shall not be required to hold such shipments further, without directions from such officer.

Rule 3—All peach, neotarine, apricot, plum or almond trees, and all other trees budded or grafted upon peach stock or roots, all peach or other pits, and all peach, neotarine, apricot, plum or almond cuttings, buds, or cions, raised or grown in a district where the "peach yellows" or the "peach rosette" are known to exist, are hereby prohibited from being imported into or planted or offered for sale, gift or distribution within the state of Oregon.

Rule 4—All trees, plants, cuttings, grafts, buds, cions, seeds or pits arriving from any foreign country found infested with insect pests or their eggs, larvae or pupae, or with fungi, or other diseases heretofore unknown in this state, are hereby prohibited from landing.

Rule 5—Fruit of any kind grown in any foreign country, or in any of the United States or territories, found infested with any insects, or with any fungi, blight, or other disease or diseases injurious to fruit or fruit trees, or to other trees or plants is hereby prohibited from being offered for sale, gift or distribution within the state.

Rule 6—Any boxes, packages, packing material and the like infested by any insect pests, or their eggs, larvae or pupae, or by any fungi, blight, or other disease or diseases known to be injurious to fruit or fruit trees, or to other trees or plants, and liable to spread contagion, are hereby prohibited from being offered for sale, gift, distribution, or transportation until said material has been disinfected by dipping it in boiling water and allowing it to remain in said boiling water not less than two minutes; such boiling water used as such disinfectant to contain in solution one pound of concentrated potash to each and every ten gallons of water.

Rule 7—Animals known as flying fox, Australian or English wild rabbit, or other animals or birds detrimental to fruit or fruit trees, plants, etc., are prohibited from being brought or landed in this state and if landed shall be destroyed.

Rule 8—Quarantine stations: For the Fourth district, comprising the counties of Morrow, Wasco, Gilliam, Crook and Sherman, shall be The Dalles. Emile Schenno quarantine officer, or any member of the board or the secretary thereof.

Rule 9—Importers or owners of nursery stock, trees, or cuttings, grafts, buds, or cions, desiring to have such nursery stock, trees, plants, cuttings, grafts, buds or cions inspected at points other than regular quarantine stations may have such inspection done where required, provided, however, that such importers shall pay all charges of inspection. Such charges and expenses to be paid before a certificate is granted. Transportation companies, or persons and consignees or agents shall deliver and convey to be detained all nursery stock, trees, plants and fruit at one or other of the quarantine stations, for inspection, as provided by the rules and regulations of the board.

Details as to quarantine stations, officers, fees of inspection, receipts for disinfection, and all desired information may be obtained on application to the secretary or any member of the board, or by reference to the pamphlet circulated.

Passed at a meeting of the State Board of Horticulture at Portland, Or., April 2, 1895. J. H. CANNON, Pres. Albert Geo. L. BARRETT, Secy.

That is what our competitors have to say of  
**Minor & Co.**  
That there is nothing left to cut on—that they have reached the bottom on everything.

**WE CLAIM** to carry the largest and best selected stock to be found in this city. No Cheap-John goods kept in stock, you can find them elsewhere.

We boast on the quantity and quality we handle, but as to our own honesty we have nothing to say; we are like the rest of the human race, born to cheat, misrepresentation and fraud.

**MINOR & CO.**

In here, and don't forget the nice line of laces being sold at very low figures.

**Ladies Wanting**

The nicest, neatest and cheapest underwear should not pass that department, else they may regret it.

**You Must**

Have shirts, men, and prices from 25 cents to \$3 are found. You can get what you want.

**'Tis Warm**

To travel now, but those who must go should not fail to provide themselves with a trunk and valise of latest make. Sold very cheap.

**"New Idea"**

Patterns, at the very low price of 10 cents; latest styles, and equal to Butterick's or any other standard line of patterns.

**The Feet**

Should be encased in comfortable shoes. Slocum's line is extensive and deserves inspection. A new line of Eastern goods expected shortly.

**See the Line**

Of latest styles in gloves. The best is to be found in this department. Call for prices and don't fail to see them.

**Prices and Quality**

Are special features of Slocum's store, and in this column he proposes to keep you posted on what he keeps.

**I Expect**

To meet competition in any line kept by me, and invite an early inspection of stock.
