Bob Wilchin came in Wednesday for camp supplies for Andy Tillard. Range is short, Bob says, and sheep will have to range far over on the other side of the Bines this year. T. W. Ayers, Jr., is making squirrel poison that he guarantees. No kill no pay, and sells it at 25 cents per can, 6 cans for \$1.50; \$2.50 per dozen. Get a sample and try it. R. C. Wills is moving his mammoth Lexington store into the Herren building, and will hereafter do business at this point. Mr. Wills has reserved space for a neat ad. in the Gazette. Joe Saling did an excellent job of tree trimming over at J. B. Vatter's this week. Trees should be looked after at this season of the year, and all fruit trees should be sprayed, if found diseased. Fred Bock, an experienced butcher from Portland, has accepted a position in Hayes & Mathews butcher shop, where he will serve the public in the best of style. Fresh meats and bones weight to everyone. B. F. Swagart is prepared to furnish his "Sure Shot" squirrel poison in wholesale lots. He has already received a large order from Washington and Idaho. Every where it has been used, it has not failed to exterminate the little pests. The Eanis has a stock of bicycle repairs and will fit your wheel up at reasonable rates. It is his intention to make a specialty in this line, and as the number of wheels is rapidly increasing, this will certainly be pleasing news to those who are so fortunate as to own a bike. Old Hat has quite a menagerie. A short time ago he bought a young coyote and this week he added two cub bears. The happy family are doing well, especially the coyote who plays with the town dogs just as though his ancestors for forty generations back had been domesticated. Dr. J. B. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." Its curative power is largely attributable to its stimulant, tonic and nutritive properties, by which the energy of the system is recruited. It is pleasant to the taste, easily borne on the stomach and harmless under prolonged use. Price \$1.00 per bottle.

A date will be given in the opera hall tomorrow (Saturday) evening, June 1st. No notes will be spared to make the affair a grand success and an occasion of pleasure and enjoyment to the participants. The best of music to be had will be furnished by the management. Boyd & Saling are remodeling their ice cream parlors and will serve delicious refreshments for the occasion.

EMILE SEBANO, the member of horticultural board from the fifth district, visited Heppner this week. Mr. Sebano reminds our reporter of Hon. Phil Melsbach, who means that the former must be a mighty good citizen. He is doing excellent work in seeing that the laws are being enforced in reference to diseased fruit and fruit trees. In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat the sun's rays we feel tired, half sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1 per bottle. Frank Wilkinson, who shot Charley Beymer early this week, had his examination Tuesday and was held in the sum of \$1,000. A. P. Wilkinson and T. H. Bisbee came sureties for the present and Mr. Wilkinson was released. Beymer is getting along all right and will doubtless be himself again in a week or so. Frank Shephardson, an engineer on the Southern Pacific R. Y., who resides at Los Angeles, Cal., was troubled with rheumatism for a long time. He was treated by several physicians, also visited the Hot Springs, but received no permanent relief until he used Chamberlain's Pain Balm. He says it is the best medicine in the world for rheumatism. For sale by Slocum-Johnson Drug Co. We learn that the branding oil sold by us this spring is not working satisfactorily, it not being as represented to us. Although we did not guarantee the oil, we do not wish our customers to lose through our mistakes, so if those who bought it and were disappointed will call we will cheerfully refund the money.—P. C. Thompson Co. 2t W. H. Curry and Frank Thomas returned Tuesday eve from a month's trip overland through Eastern Oregon and Idaho. They say that Baker City and the Capital city of Idaho are dull—very dull, and that Pendleton and Heppner have better times and more money than any places they saw during their trip. R. H. Kribbs and L. G. Atherton got in yesterday afternoon from Dayton, having come all the way on bicycles. They and their machines landed in pretty good repair, considering the roughness of the roads. The only difficulty experienced on the way was with their tires which received a puncture now and then. Dr. E. A. Vaughan, the new dentist, will soon leave and we would advise those who are desirous of fine work to come in at once. Our scribe also notices that the Red Front grocery and Gilliam & Bisbee's hardware store have advertisements thereon. This is enterprise. The G. A. H. will have a grand campfire and reunion at Lexington on the 3rd and 4th of July. All are cordially invited to attend. Come prepared to camp on ground. Loin steak, 8 cts.; round steak, 6 cts.; rib steak, 5 cts., at Sprays. A HARD QUERY. How can she do it? What? Why serve such dinners. We will tell you. Mrs. Sperry has secured the services of Mr. Jean Beasch, a fine French cook, just from the Hotel Portland, hence the following, marvelous bill of fare. DINNER. Oyster Soup. Radishes. Green Onions. Pickled Beets. Boiled Tongue, piquante sauce. Entrees: Chicken fricassee, Hollandaise; Oyster Patties, a la poquette; Veal, a la andouille. Prime Roast Beef au jus; Spring Lamb, Mint Sauce. Vegetables: Green Peas with cream; String Beans; Mashed Potatoes. Dessert: Vanilla Ice Cream; Strawberries and Cream; Pies, Lemon. Assorted Fruits and Cake. Mr. Geo. Reynolds, the efficient steward, will have charge of the dining room and every one will be waited upon promptly. BLACK HORSE ITEMS. Wm. Duran returned from Weston Saturday last. Miss Alta Raab, of Heppner, visited Mrs. S. E. Sweetser last week. The rain that has been much needed by the farmers has come in abundance and is still "accumulating." The Sacred Hollow Sunday school is progressing nicely with Mr. H. W. Turner, as superintendent. Mr. and Mrs. Loren Gentry and family were the guests of Mr. and Mrs. Frank Gentry last Sunday. The Sunday school of Black Horse is progressing nicely under the management of Mrs. E. S. Duran, Supt. Miss Lulu Boothby, one of the accomplished belles of Lexington, was a guest of Mrs. S. E. Sweetser and Mrs. E. S. Duran, Saturday and Sunday. BLACK HORSE, May 27, 1895. When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a diseased state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and become dangerous to life. Steps should be taken to stay the progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1 per bottle. CHASTANAGA NOTES.—The Oregon City gathering of the Willamette Valley Chastanaga Association, at Gladstone Park in July, promises to be the greatest of its kind ever witnessed in Oregon. Special rates have been obtained on all transportation lines, Congressman Ellis, of this place, has been notified to be present on Pacific R. R., July 15, on which occasion the attorney, station officers, supreme judges and other dignitaries will be present.

MORE ON HOME INDUSTRY. Minor & Co. are the largest consumers of home production of any firm in the city. We buy where we buy cheapest; our customers do likewise. This is the secret of our immense trade. Our business speaks for itself. We send out no misrepresentations to deceive the public. Now in regard to the flour question. We have often sold as high as a car in a day and cannot figure on the old saying, "Look out for today; tomorrow will look out for itself." Our enormous sales compels us to buy far in advance; and on investigating our Heppner mills, we find there are but 700 barrels of flour in the mill, at a price of \$2.25. Taking into consideration the advance on wheat, we offer the miller \$2.35 for all he would sell, but was told he did not think they would grind any more, and would have to distribute what was in the mill equally, so as to give all a chance. The following morning they asked \$2.40; we offered \$2.50, but still they would not sell, and in the face of a rapid advance of prices, we bought four cars from a distant mill at \$2.65, which is 10 cents less than our competitor can buy it for today; and have written for prices on four cars more. We expect it to go to \$3 and are buying accordingly. Any reasonable person can see at a glance that no one would pay \$2.65 for flour if they could get just as good for \$2.40, as our competitor would have you to believe. Minor & Co. shipped in the enormous sum of 300 pounds of bacon last year. The rest we bought of home farmer. Be not deceived; God is not mocked; you can't buy first grade oil for second grade prices. Yours for business, MINOR & CO.

Cure for Headache. As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try one. Large bottles only fifty cents at T. W. Ayers, Jr., drug store.

IOSE ITEMS. A soaking rain has reached us, but alas, too late. Rhen creek was the scene of a shooting affair the other day. The rain has made plowing easy and farmers are at it again. Don't forget Children's Day on June 9th. The lone Sunday school is preparing an interesting program. All are cordially invited. Tom Woolery has left for the East with a band of sheep. Tom can now sing "The girl I left behind me." The children of our Sunday school practiced their parts on Tuesday and Saturday for the program on June 9th. The squirrels are more numerous this spring than they have been for many years. Hundreds of acres of grain have been destroyed and in addition to the recent drought the farmers' prospects look slim. An experiment was recently made by one of our farmers. Inch boards were set on the sides around a garden in which the squirrels had destroyed all of the first planting. Openings were let between the boards and either traps or poison put there. The garden was replanted and the result is the garden truck is growing and the squirrels are kept out, caught or poisoned. It is worth trying. JAKE. May 28th, 1895.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshallfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by Slocum-Johnson Drug Co.

THE leading bankers and merchants of London, viewing with alarm the growing sentiment in favor of bimetalism, have organized a gold-standard defense association. Shades of our forefathers! A similar organization has been perfected in this country. We leave our readers, with the facts well known to all, to draw their own conclusions. Bilious Colic. Persons who are subject to attacks of bilious colic will be pleased to know that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. It acts quickly and can always be depended upon. In many cases the attack may be prevented by taking this remedy as soon as the first indication of the disease appears. 25 and 50 cent bottles for sale by Slocum-Johnson Drug Co.

THE MIDWAY PLAISANCE

The daughters of the Midway might have been made more fair if they had purchased their finery at L. BLUMENTHAL'S. And their husbands and male relatives and attendants ought to have each bought one of our merchant's ALL WOOL \$8 50 SUITS. He is not accustomed to supplying accoutrements for Commanches or Hottentots, but we dare say that the daughters and sons of the forest might find much to edify them in his store. We would not promise that any of it came from Paris or Hong Kong, but as an American store with American ideas, Blumenthal deals chiefly with the American article. The fashionable gent or lady will find what they want at BLUMENTHAL'S. There is something for everybody and somebody may have everything, provided somebody has the price. And such suits and dry goods for so little money!

What is an Emulsion?

Milk is a true Emulsion, and as milk or cream is easier to digest and assimilate than butter, so is the milk or cream of Cod-liver Oil easier to digest and assimilate than raw Oil. This is why Scott's Emulsion is much more useful and effective than the natural Oil; why it accomplishes so much in arresting waste and building up the body. But it is much more than ordinary fat food. It has other constituents that have wonderful healing and strengthening power, and in addition we add the Hypophosphites (or Phosphorus), another most important element in overcoming decreased vitality or loss of flesh. These are the reasons why Scott's Emulsion is benefiting to-day hundreds of thousands of consumptives and anemic persons, as well as being a food and remedy for sickly, wasting children that is surprising both to physicians and parents. Scott & Bowne, New York. All Druggists. 50c. and \$1.
