with it."

tion somehow.

as he turned to go.

subject.

BEFORE I could get relief from a most horrible blood disease I had spent hundreds of dollars trying various remedies and physithe worst I ever saw!" grumbled Camp-

bell, the city editor, as he gave the good. My finger nails came off and copy-boy a "padded" story of a cable- my hair came out, leaving me car smash-up, and wheeled about in his perfectly bald. I then went to

Ten o'clock and only two display heads up, and neither of them worth Hoping to be cured by this celebrated its place. How much'll that shipping treatment, but very soon became disgusted tory make, Harris?" and decided to try S.S.S. The effect was "I can fill it out to half a column," and truly wonderful. I commenced to recover swered the person to, looking up from at once, and after I had taken twelve bot tles I was entirely cured-cured by S.S.S. "Make all you can of it. We'll need when the worldrenowned Hot It was just then that Marsh came in.

"Got a good story here, Mr. Campbell; how much space can I have?" he said, stripping off his cont.

"All the stripping of the cont."

"All the stripping of the cont."

"All the stripping of the cont."

ginning with H that he hunted. "It must be here!" he kept murmuring to himself. "It ought to be here! Why "You remember the Kremer mur can't I find it?"

Then he ran the pages over again They fluttered from his withered "Well, they've got them; at least, fingers-winding sheets on which were they think they have. The police in written the names of those dead and the Twenty-third precinct arrested a gone, of events recollection of which fellow to-day who turned out to be had long since faded from the mind-Boch, the German who was with of most men. But they did not yield Kremer the night the murder occurred; the name he sought. "It's strange," and the circumstantial evidence is he said. "This is a complete record; it strong, they say. Let's see; how long has never been wanting before. Why ago was it that the murder happened? | can't I find it? They must have known about it when it happened.'

Then, all at once, one of his hands "Just about," said Campbell, mentally checking off the time. "It ought | slipped from the book, and his head to make a good yarn. Do your best dropped among the leaves, crushing them flat; and tears ran between the thin fingers outspread there.

For a time only the scratching of a He remained there for some time pen broke silence in the room. Then Only the clicking of the telegraph the city editor suddenly said: "I say, instrument in the news room, a dull Marsh, s'pose you see the Sphinx about hum of voices from the rooms beyond that story. Ten to one, he has some- where a discussion was going on, and thing filed away about it. If he has an occasional question asked and and can give a good history of the answered in the local room came to crime, let him do it. You do the story his ears; and even those he did not hear. Then a bell began to boom the of the arrest and make it as circumstantial as you can. We'll see if we hour, and mechanically he counted the can't save that front page from stagna- strokes.

Eleven o'clock! The fact, dully impressed on his mind, awoke him to a dropped his pen and rose from his seat. sudden sense of the work before him. Perhaps the old man can give us a He raised his head. His face was beat on the story," he jokingly added, drawn, and his eyes, swollen as their lids were from tears, seemed to have sunk in their sockets. He sat for a moment, looking at the book before of the Sphinx supplying such a thing him. The leaf that was uppermost was one that he had scanned many times before. At its top was printed the letter H. denda and obituary notices in non-

A minute later he had drawn a large bundle of copy-paper toward him and was writing on it. He wrote slowly at first, almost laboriously. But soon his fessed to know him better after that pen snoved more quickly, and sheet after sheet of the paper was covered among them and was given charge of and pushed to one side

Hardin's pen moved unceasingly. filed away daily and made use of again | When midnight struck he was workwhenever a new event recalled an old ing with a fierce energy which told of a purpose that defied fatigue. But he sent up no "copy" to the composingfully executing what was given him to room as he wrote; the pages account do, but never offering a suggestion, lated on his desk in a careless heap. It was after 12:30 when he dropped

amusements or conversation of his his pen and sunk back in his chair for companions, he had been dubbed the a minute. But it was only for a min-Sphinx before he was in the office a ute. Then he picked up the bundle of week, and the sobriquet nad clung to copy, roughly rearranged it, wrote him and seemed thoroughly to fit him. "Use all-Rush" at the top of the first John Hardin was the way he was en- | sheet, and sent it upstairs by a boy. tered on the pay-roll, and the most He put on his overcoat, turned off that anyone knew of him was that he | the incandescent ligh and walked into lived by himself in a bare room near the local room and to the city editor's the Globe building and took his meals | desk. "Mr. Campbell," he said, in a
