A BEAR'S NOSE. One Point of the Autmal That Is Very

A sportsman's life was once saved by Australia where even in the oldest colhis knowledge of one of the physical onics the stronger sex far outnumbers peculiarities of the bear. Gen. Hamilthe weaker. In Victoria, New South on, who tells the story in his "Sport Wales and South Australia the rela-Southern India," was out on a beartionship is respectively 90.6, 84.9 and 92.1 in favor of the men. In West Ausshooting expedition with a brother The beaters drove the bear tralia there are only 67 women to 100 from his hiding place, and a shot from men. In India in every place except the officer threw him on the ground; the government of Madras the men but he got up with a grunt and made

As the bear passed an open bit of ground Gen. Hamilton again fired, but missed, and the beast turned upon him. When he was within a few yards the The prompt wit of the late Lord Beaconsfield is well known. On one general gave him the other barrel. As this did not stop him Hamilton started Bucks, he presided at the annual din- to run, but tripped over a rock and fell

The bear was upon him instantly, and the sportsman, looking over his shoulder, saw into the bear's mouth as the brute made a grab at him. The animal caught him by the thigh and pinned him. Knowing that a bear's nose is very sensitive, Hamilton hit him several hard blows on the nose. The bear, unable to endure the pain. let go, and, before he could get hold again, Hamilton was up the hill.

His companion ran up and killed the bear by a ball through his heart. But the bear's class had laid open Hamilton's thigh to the bone, and he was in
