\$1800.00 GIVEN AWAY TO INVENTORS.

\$150.00 every month given away to any one who ap-lies through us for the most meritorious patent during the month preceding.

We secure the best patents for our clients, and the object of this offer is to encourage inventors to keep track of their bright ideas. At the same time we wish to impress upon the public the fact that

IT'S THE SIMPLE, TRIVIAL INVENTIONS THAT YIELD FORTUNES,

such as the "car-window" which can be easily slid up and down without breaking the passenger's back, "sauce-pan," "collar-button," "nut-lock," "bottle-stopper," and a thousand other little things that most any one can find a way of improving; and these simple inventions are the ones that bring largest returns to the author. Try to think of something to invent

IT IS NOT SO HARD AS IT SEEMS. Patents taken out through us receive special notice i e "National Recorder," published at Washington

rarents taken out through us receive special notice in
the "National Recorder," published at Washington,
D. C., which is the best newspaper published in America
in the interests of inventors. We furnish a year's subscription to this journal, free of cost, to all our clients.
We also advertise, free of cost, the invention each month
which wins our \$150 prize, and hundreds of thousands
of copies of the "National Recorder," containing a
sketch of the winner, and a description of his invention,
will be scattered throughout the United States among
capitalists and manufacturers, thus bringing to their
attention the merits of the invention.

All communications regarded strictly confidential,

THAT AWFUL LIAR. After Going Through the Valley, He btrikes Salem Again.

The biggest liar on earth visited our office the other day with a story about the storm. He said the wind blew the bark out of his dog, the teeth from his barrow, the barbs from the wires on his fence, the hole out of a hollow log, spokes from his buggy wheels, took one side of his whiskers, and one of the

wheels of his head .- Ex. little worse. Up here he said that it day, having just returned from Ontario Pioneer. Sunday was the day set for weight it is said that the coming wheel blew the curbing out of his well, the tail where he delivered a band of cattle. from a cast iron bull dog, and the wind out of Col. Hofer. - Salem Post.

He reached Albany. He said our is here in the interest of Hendley & when he repaired to the home of his streets were blown as smooth as pave— Gould, wool commission merchants of promised by the copy informed by the copy ment, our bonded indebtedness out of Pendleton, while the latter is looking promised bride, to be cooly informed by ment, our bonded indebtedness out of the sale of bucks for Dong Belts, sight, the moss from our mossbacks, after the sale of bucks for Dong Belts, wouldn't marry him. And she didn't, is the senior partner of the firm of F. J. blew \$20 pieces into all our pockets, of Pilot Rock. and puffed the price of wheat up to \$1. -Albany Democrat.

the steel rails on the railroad track, and departed at once for Heppner. knocked the vacum out of the G. A. R. auditorum, but busted when it tackled the conglomorate aggregation of wheels in Editor Pentland's head.-Enterpriss.

The son of a gun came back again to Salem. He said that the whirlwind, after leaving Salem and Albany, struck Independence where it was crippled, but recuperated and, returning here repeated the attempt to blow the wind out of Col. Hofer, wherein it failed, when it turned its attention to the brickgalleywest, after which it quietly betook son Drug Co. itself to the banks of the rolling Willamette and buried itself in the cold-
