

WE can get along with a great deal less of courts, law and litigation and officialism. The way phale." to make times good to the mass of the people is not to put unnecessary burdens upon them. When we sow tares we must reap a whirlwind.—East Oregonian.

THE late number of Pythias that has just come to hand is a which uproots dynasties and is all right, and is now giving the think, tyrants trouble.-Ex. order a better paper than they pay for. So don't start another pythian journal, but help Albert Tozier financially, not by praise, to build up Pythias.

THE Sons of Veterans held their ninth annual encampment this week at Knoxville, Tenn., thus going to southern soil as did their fathers, who held their recent the exception of Colorado, Cali- do the digging. fornia and Oregon. The session was a very successful one, and largely attended by many prominent men.

Оню democrats are champion floppers. Under the lead of Pendleton thirty years ago they came out strong for the payment of all bonds in greenbacks. they were for free silver out and out. This year, under the lead of the state tax-dodger, they are for gold and nothing else. Where will they be next year?—Exchange.

says: "Some of the brightest is producing prosperity." It is at newspapers in Oregon have the dullest editors. They have just sense enough to steal the best things other editors write—and the general public seldom know the difference. We could name exchanges in which an origional thought or idea is an exception. Newspaper men should expose these editorial impostors." Brother Fisher might also add to this least, a first sign they want it, and that they still have confidence in their moisture. Fruit shipments continue; there has just they still have confidence in their moisture. Fruit shipments continue; there has just they still have confidence in their moisture. Fruit shipments continue; there will be large shipments of apples and grapes. Drying of fruit has been greatly impeded by the wet weather; there has not been any good drying days during the past week. Some plums and prunes have burst since the wet weather; there has not been any good drying days during the past week. Some plums and prunes have burst since the wet weather; commenced; with this exception fruit has made good progress toward maturity. In some orchards the prunes are still in perfect condition notwith.
