OBITUARY.

Mrs. Smith was brought to Wagner, a distance of seventy-five miles, for interment, and was buried in the Wagner cemetery by the Wagner Secular Union. The funeral services were conducted by

C. N. Wagner and were strictly Secular. Mrs. Smith was born in Warsaw, Ill., in 1868 and received her education in the public schools. In 1885 at the age of seventeen, she graduated from the mediately began life as a teacher which she successfully followed in Iowa and Oregon for six years. At sixteen she became a convert to free thought and ever since she has been an outspoken and aggressive worker in the cause.

She was a student, an observer and a couraged and seconded all her efforts.

the time of her death the youngest liberal lecturer in the field. Mrs. Smith was quiet in manner and

speech, was an orator of the highest order, and will forever live in the minds of those who best knew her. WARREN CARSNER.

EASTERN OREGON.

S. Pague Report.

Weather-The rainfall for the week amounted to less than .06 of an meh; the weather was generally cloudy, cool and threatening, and the amount of sunshine was materially below the normal amount. The maximum temperature ranged from 50 to 72 deg., and the minimum from 36 to 48 deg., except South of the Blue mountains, where freezing temperature prevailed on the 20th, 21st and 22d. Snow fell in the mountains on the 21st. Frosts occurred throughout the

Columbia river valley the morning of the 21st. Died at John Day, Grant Co., Oregon, Sept. 18th, 1895, of typhoid fever, Mrs. Katie Kehm Smith, in the 27th year place in the growth of grass and some place in the growth of grass and some late vegetables. Grass on the range has turned green. Farmers have finished grain. threshing grain and have turned their attention to preparing the ground for fall seeding and to seeding of grain. Some grain that was sown last week has sprouted already under the favorable conditions which have prevailed. It is the general opinion that a large crop of fall grain will be sown; it will be sown earlier than usual, since the Ottumwa, Iowa, high school and im- condition of the soil has made it possible, and it is likely that it will be unusually well rooted by the time the winter weather arrives. The seeding of grain is confined, so far, to the Columbia river valley, and the Walls Walls country, country round for hop-pickers. Quite a Farmers are barely through threshing number of both ladies, gentlemen and south of the Blue mountains. There children are busily engaged at picking thinker.
