### A SPECIFIC

La Grippe, for Colds, Coughs, AND LUNG TROUBLES,

## AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance. I got no better. Finally, my husband,-reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,-procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children. and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."-EMILY WOOD, North St., Elkton, Md.
