

UNTOLED MISERY
FROM
RHEUMATISM
C. H. King, Water Valley, Miss., cured by
Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

being twisted up in knots. I was unable to dress myself, except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injections of morphine. I had my limbs bandaged in clay, in sulphur, in poultices; but these gave only temporary relief. After trying everything, and suffering the most awful tortures, I began to take Ayer's Sarsaparilla. Inside of two months, I was able to walk without a cane. In three months, my limbs began to strengthen, and in the course of a year, I was cured. My weight has increased to 165 pounds, and I am now able to do my full day's work as a railroad blacksmith."

Horace Greeley once said: "The way to resume in to resume," speaking of again putting gold into circulation after the war. But you may say "resume" any number of times to that forged liver of yours and it won't budge until you take Simmons Liver Regulator. Many people seem to forget that constipation, biliousness and sick head ache are all caused by a sluggish liver. Keep the liver active.
Mrs. T. S. Hawkins, Chattanooga, Tenn., says: "Shiloh's Vitaher saved my life. I consider it the best remedy for a debilitated system I ever used." For dyspepsia, liver or kidney trouble it excels. Price 15 cents. Sold by W. Ayers, Jr.

We Call the Attention
OF THE PUBLIC
TO THE FACT that when a merchant advertises that he or she can undersell anyone else, he is talking through his hat; or, in other words, he is a liar and the truth is not in him. We do not claim to undersell every one else, but we defy any man to undersell us; that is an advantage that no man has over another providing they are truthful to their brother merchants (which we are sure is not the case with Heppner merchants).
We invite the public to inspect our stock, and believe you will find it a clean, fresh, first-class stock and well selected, and our prices are as cheap as any store in Eastern Oregon.
Call and see us and you will find we mean just what we say.
Very Respectfully Yours,
HORNER & RHEA.

The ladies of the company, Misses Florence East, Emma Morris and Ada Sherman have all been greatly appreciated in every cast. The company opened Tuesday evening with "Destiny" followed Wednesday evening by the laughable comedy, "Complications." Last evening "Hazel Kirk" was very creditably presented, and this evening the company presents that great play, "Passions Slave." "Our Boarding House" is slated for tomorrow afternoon's matinee.

None But Ayer's at the World's Fair
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
