Horrace Greely once said: "The way to resume is to resume," speaking of again putting gold into circulation after the war. But you may say "resume" any number of times to that torpid liver of yours and it won't budge until you take Simmons' Liver Regulator. Many people seem to forget that constipation, biliousness and sick head ache are all caused by a sluggish liver. Keep the liver active.
Though the weather has been fine this fall, in some respects it is the most unreasonable. Not a drop of rain has fallen for some time, and fall range is in bed condition. Fall sown grain has not come up, nor will it till it has some moisture.

DULL TIMES IN YAMHILL.—Wm. Baird writes from Dayton, Yamhill county, that he cannot sell his horses which he took below in August—at least he had not succeeded in doing so at last accounts. Times are dull and money hard to get. Everything the farmers have to sell is very low. Grain is very cheap—oats 15 to 20 cents per bushel, wheat 40 cents. None But Ayer's at the World's Fair
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparillas sought by their deeds to obtain a showing of their goods, but they were all turned away under the application of the law forbidding the display of patent medicines and nostrums. The decision of the World's Fair authorities in favor of Ayer's Sarsaparilla is in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Catarrh
Has troubled me for 11 years. I have taken four bottles of Hood's Sarsaparilla and am perfectly cured. I think Hood's Sarsaparilla has no equal, and believe that many who are in poor health and have become discouraged, would be restored to good health if they would only give Hood's Sarsaparilla
a fair trial. W. J. BUREN, Astoria, Ore.
Hood's Pills cure all liver ills, biliousness, headache, &c.

It is not at all surprising to see the immense crowds going to trade at the store of
P. C. THOMPSON CO.
When we consider that Heppner handles more merchandise than the other seventy-two counties of Eastern Oregon put together, and that P. C. Thompson Co. handle nine-sevenths of that. It is not to be wondered at that they have all of the local trade and part of that of California and Chicago, but they will not be satisfied till they have the trade of Paris, London and New York also.

We Call the Attention * * *
OF THE PUBLIC
TO THE FACT that when a merchant advertises that he or they are undersold anyone else, he is talking through his hat; or, in other words, he is a liar and the truth is not in him. We do not claim to undersell every one else, but we defy any man to undersell us; that is an advantage that no man has over another providing they be truthful to their brother merchants (which we are sorry to say is not the case with Heppner merchants.)
We invite the public to inspect our stock, and believe you will find it a clean, fresh, first-class stock and well selected, and our prices are as cheap as any store in Eastern Oregon.
Call and see us and you will find we mean just what we say.
Very Respectfully Yours,
HORNER & RHEA.
Other points have been mentioned. But I will say what I mean. The other day I was tipped an article from an exchange, with the remark: "That's a mighty fine article." After he had published the piece, and read it again he remarked: "Well, you darn my skin, if that ain't the very article I wrote myself a week ago!" He also mentioned me in almost every one of the uses which he put out, and going at it will in order to give her sixteen a chance to also pass the day in our five more holes, one for each of the kitchen.
