

CANCER CURED

—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

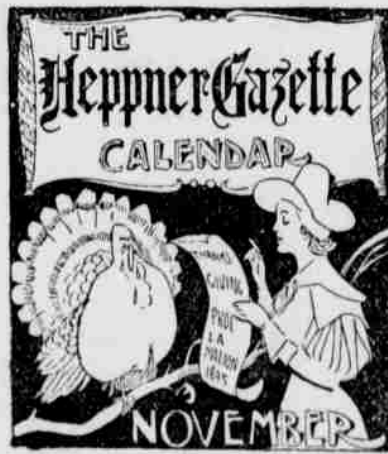

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

O. It is more than likely that the case will never again come to trial as a move is on foot to settle the controversy.

Huntington Herald: John L. Rand, prosecuting attorney, is a candidate for congress. So is ex-Circuit Judge J. A. Fee, of Pendleton, J. B. Huntington, of Burns, and E. S. Anderson, of Baker. A good recommendation for Simmons Liver regulator is, that it is purely vegetable and strongly tonic. Then too, it is better than pills because easier to take in liquid or powder and with no griping, while the relief from Constipation, Bileousness, Sick Headache and Dyspepsia is quick and sure. "I find Simmons Liver Regulator a very safe and valuable family medicine."—Rev. J. M. Collins, Fairfield, Va.

The Gazette is thankful indeed to its patrons for the generous supply of cordwood which is being brought in. Now cordwood is all right to burn, but the printers and paper dealers insist that free coining of cordwood won't work, so all accounts due can be paid in cash. In fact, it is preferable, and the shop needs the money.

RANDOM REMARKS.

Probably a woman would be a bride to her husband longer if she would continue making company of him. Most women begin to save their jam for visitors when they have been married three months.

There are twenty-five women in Chicago who are practicing lawyers, and fifteen more will soon be admitted to the bar.

The "new women" are coming to the front in Finland, too. They have formed volunteer fire brigades in Helsingfors and other towns, and have done first-rate work.

Massillon, the great French preacher, had a singularly talented mother, whose influence over his life was unbounded.

"Take your needle, my child, and work at your pattern; it will come out a rose by and by." Life is like that—one stitch at a time taken patiently, and the pattern will come out all right like the embroidery.—Olive Wendell Holmes.

Hood's is Wonderful.

No less than wonderful are the cures accomplished by Hood's Sarsaparilla, even after other preparations and physicians' prescriptions have failed. The reason however, is simple. When the blood is enriched and purified, disease disappears and good health returns, and Hood's Sarsaparilla is the one true blood purifier.

Hood's Pills are prompt and efficient and do not purge, pain or gripe. 25c.

I Am Glad

To tell what Hood's Sarsaparilla has done for me. I had the grip and its ill effects settled all over me. I had cramps in my legs and frequently I had to get up at night and walk to relax the muscles. I also had stomach troubles. I then took Hood's Sarsaparilla. One bottle cured the cramps, and another has helped my stomach. Each trouble greatly. I have taken 8 bottles and use Hood's Pills which are the best I ever used." H. A. MELVIN, Sisters, Oregon.

It is not at all surprising to see the immense crowds going to trade at the store of

P. C. THOMPSON CO.

When we consider that Heppner handles more merchandise than the other seventy-two counties of Eastern Oregon put together, and that P. C. Thompson Co. handle nine-sevenths of that. It is not to be wondered at that they have all of the local trade and part of that of California and Chicago, but they will not be satisfied till they have the trade of Paris, London and New York also.

BIG PROFITS ON SMALL INVESTMENTS

Returning property will make many rich, but nowhere can they make so much within a short time as by successful speculation in grain, provisions and stock.

\$10.00 FOR EACH DOLLAR INVESTED

Can be Made by Our Systematic Plan of Speculation

originated by us. All successful speculators operate on a regular system. It is a well known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large accounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our fully Market Reports, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. Direct references in regard to our plan and success.

We Call the Attention

OF THE PUBLIC

TO THE FACT that when a merchant advertises that he or she can undersell anyone else, he is talking through his hat; or, in other words, he is a liar and the truth is not in him. We do not claim to undersell every one else, but we defy any man to undersell us; that is an advantage that no man has over another providing they be truthful to their brother merchants (which we are sorry to say is not the case with Heppner merchants).

We invite the public to inspect our stock, and believe you will find it a clean, fresh, first-class stock and well selected, and our prices are as cheap as any store in Eastern Oregon.

Call and see us and you will find we mean just what we say.

Very Respectfully Yours,
HORNER & RHEA.

We've tried a pint. We'll get him on it. And the whole will hang what he'll say. For the present we'll give you a sample of our goods. That is one we can't sell you. Cheaper than Horner & Rhea.

Other goods have been treated. But now they'll get treated. We'll give you a sample of our goods. That is one we can't sell you. You'll find we are in it. And you'll buy of Horner & Rhea.

Help into the store. And look the store over. You'll find to the same every day. And we'll be pleased. When you purchase of Horner & Rhea.
