After Acute Bronchitis  
CURED BY USING  
**AYER'S Cherry Pectoral**

**A PREACHER'S EXPERIENCE.**  
"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

Joe Eskelson was up yesterday from his home near Lexington, and informs us that his father, Jas. Eskelson, is over from Utah to visit his sons, Eph and Joe. They had not met for fifteen years, and the visit is mutually enjoyed. The old gentleman is very spry for a man of 71 years, and proposes to winter in Morrow Co., and perhaps may remain longer.

**We Call the Attention** \* \*  
**OF THE PUBLIC**

**THE FACT** that when a merchant advertises that he or she can undersell anyone else, he is talking through his hat; or, in other words, he is a liar and the truth is not in his hat. We do not claim to undersell every one else, but we defy any man to undersell us; that is an advantage that no man has over another providing they are truthful to their brother merchants (which we are sorry to say is not the case with Heppner merchants.)

We invite the public to inspect our stock, and believe you will find it a clean, fresh, first-class stock and well selected, and our prices are as cheap as any store in Eastern Oregon.

Call and see us and you will find we mean just what we say.  
Very Respectfully Yours,  
**HORNER & RHEA.**

Other parts have been sold, but now they've got wanted. And the public will hear what he'll say. For the people don't care a what they say. They'll buy at store & Rhea. And you'll buy at store & Rhea.

"Turn the rascals out"—the familiar party cry—may be applied to microbes as well as to men. The germinal disease that lurk in the blood are "turned out" by Ayer's Sarsaparilla as effectually as the old postmasters are displaced by a new administration.  
The City hotel management invited us (journalists) each down to last Sunday's dinner, and as it is not often that a newspaper man gets a full feed, he came away almost floundered. Mrs. Bradley should either not put so many good things on the table or invite us oftener.

**LIBRARY NOTES.**—One of the most interesting programmes in the history of the Heppner Literary and Dramatic Society was rendered at the court house, Saturday evening last, with Vice Pres. Jas. Hart in the chair. The subject for debate was "Resolved, That immigrants into the United States should be prohibited." It was earnestly contested on both sides, as both affirmative and negative showed that they were well up in debating, and understood their respective subjects. One of the best features of the evening was the excellent recitation rendered by Billie Baark. The society will meet again next Saturday at the usual place and will announce in Friday's issue whether or not it will be public.

**FRIDAY NIGHT'S DIVERSION.**—People Saturday morning about 2 o'clock, living in the neighborhood of the business part of town, heard some pretty tall telling—so some of them say. Yesterday Albert Box, O. Wells and Fred Hart were arrested as being the Saturday night disturbers, and the Gazette is informed that there is yet one more young man who will be added to the list. Whether the "joke" was intended to be a practical joke, this paper knows not, but this will no doubt come out at today's trial. The boys were arraigned yesterday, pleaded not guilty and demanded jury trials. Albert Box's case was a serious one, and the jury being composed of good men, were very hard on the boys.

Married.—At the home of the bride's parents, Mr. and Mrs. B. L. Akers, at Gooseberry, this county, Mr. Louis Thomas, of Colfax, Wash., and Miss Mary G. Akers, Elder Swift officiating. The couple departed last evening for their home at Colfax. The Gazette's best wishes goes with them.  
Ed. Smith started below with his wife last night, on their way to Salem. They were accompanied by Sheriff Harrington. Mrs. Smith was adjudged insane by Judge Keithly last Saturday, and will be taken to the asylum. Mr. Smith will go on to California from that point.

Tom Mathews, brother of the Mathews Bros., is here on a visit.  
None But Ayer's at the World's Fair  
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

FROM WAGNER.—I. N. Hughes, of Wagner, came in Sunday on business and will remain over till tomorrow. Mr. Hughes is a live and progressive merchant of Wagner, and reports times very fair in that section. In speaking of the projected road to Mitchell, Mr. Hughes is of the opinion that the road could have been built cheaper by the way of Haystack valley, and in his opinion would have been a better road. Of course, it is some four miles longer than the route selected. Mr. Hughes says that a church has been erected in Haystack recently, or at least is nearly finished.  
Many people, when a little constipated, make the mistake of using saline or other drastic purgatives. All that is needed is a mild dose of Ayer's Pills to restore the regular movement of the bowels, and nature will do the rest. They keep the system in perfect order.  
**DEATH ON BLACK HORSE.**—Saturday morning, Nov. 9, at 2 o'clock, at his home in Black Horse, Justice Beaman departed this life, aged about 64 years. Mr. Beaman has been confined to his room seven years with stomach trouble, and has suffered much. Mr. Beaman was a very estimable man, and in the days when he was a familiar figure on Heppner's streets, in all his business transactions and social intercourse was known to be a fairminded, honorable gentleman. He leaves a wife, and also a large family all of whom are grown. The interment occurred Sunday at Lexington.  
Best accommodation and courteous treatment at the Imperial Hotel, Seventh and Wash. Sts., Portland, Oregon.

**BIG PROFITS — ON — SMALL INVESTMENTS**  
Returning prosperity will make many rich, but how many can they make so much within a short time as by successful speculation in Grain, Provisions and Stock.  
**\$10.00 FOR EACH DOLLAR INVESTED**  
Can be Made by Our Systematic Plan of Speculation  
originated by us. All successful speculators operate on a regular system.  
It is a well known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more for those who invest a few thousand.  
It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.  
Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up continuously in a short time.  
**WRITE FOR CONVINCING PROOFS,** also our Manual on successful speculation and our Daily Market Reports, full of money-making pointers. **ALL FREE.** Our Manual explains margin trading fully. Highest references in regard to our standing and success.
