But, nowadays, the "new woman" among the Afro-Americans cannot appear at the lecture, the woman's club or the soci'ty meetings with the horny week-day heads of the past. "Necessity is the mother of invention," fits this case as so many others. A secret has been discovered for not only straightening out the kinks, but to keep them straightened out for six months at a The secret is in the possession of an

enterprising colored woman, who makes her home in New Orleans, and who, it is said, does a thriving business in smoothing out the knotty tresses of her sisters. As she gets five dollars a head, and there is no lack of trade, this kink specialist has a veritable bonanza. In this one respect, at least, the darkskinned would-be beauty has the advantage of the pale-faced belle, who aspires to rippling hair. While the former has to undergo hair manipulatiou but once in six months the latter's

GIVEN AWAY TO INVENTORS.

\$150.00 every month given away to any one who applies through us for the most mentorious patent during the month preceding.

We secure the best patents for our ellents, and the object of this offer is to encourage inventors to keep track of their bright ideas. At the same time we wish to impress upon the public the fact that IT'S THE SIMPLE, TRIVIAL INVENTIONS

THAT YIELD FORTUNES, such as the "car-window" which can be easily slid up and down without breaking the passenger's back, "sauce-pan," "collar-button," "nut-lock," "bottle-stopper," and a thousand other little things that most any one can find a way of improving; and these simple inventions are the ones that bring largest returns to the author. Try to think of something to invent

IT IS NOT SO HARD AS IT SEEMS. Patents taken out through us receives pecial notice in the "National Recorder," published at Washington, D. C., which is the pest newspaper published in America in the interests of inventors. We furnish a year's subscription to this journal, free of cost, to all our clients. We also advertise, free of cost, the invention each month which wins our \$150 prize, and hundreds of thousands of copies of the "National Recorder," containing a sketch of the winner, and a description of his invention, will be scattered throughout the United States among capitalists and manufacturers, thus bringing to their attention the merits of the invention.

All communications regarded strictly confidential.

I am convinced, sir, that your lawyer never came from Virginia at all, sir; he must have come from West Virginia,"

TOMB OF MARY AND LAZARUS, As Interesting Tombstone Discovered in Palestine.

In a recent issue of the Journal of the German Palestine society, Prof. Gelzer, of Jena, discussed an interesting tombstone discovered at Cesarea, in Palestine, and which first appeared in the Revue Biblique, published at Jerusalem. The inscription reads: "Monument belonging to for dedicated to Mary and Lazarus." The language is Greek, and the inscription dates from the fourth or fifth century. The original editors, the Dominicans of Jerusalem, thought that it was merely a monument of two persons by the names of Motice Of Intention.
