

LOSS OF VOICE
After Acute Bronchitis
CURED BY USING
AYER'S Cherry Pectoral
A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

Nervousness
Cannot be permanently cured by the use of opiates and sedative compounds. It is too deeply seated. It is caused by an impoverished condition of the blood, upon which the nerves depend for sustenance. This is the true and only natural explanation for nervousness. Purify, enrich and vitalize the blood with
