LOSS OF VOICE After Acute Bronchitis

CURED BY USING AYER'S Cherry Pectoral

A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bot-tles more will effect a permanent cure. To all ministers suffering from throat troubles; I recommend Ayer's Cherry Pectoral."-E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.
