# LOSS OF VOICE After Acute Bronchitis CURED BY USING ER'S Cherry D Pectoral

### A PREACHER'S EXPERIENCE.

T

"Three months ago, I took a vio-lent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief ; the second, which I am now taking, has relieved me almost. entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."-E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.
