

UNTOLD MISERY FROM RHEUMATISM
C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$3000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

being twisted up in knots. I was unable to dress myself, except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injections of morphia. I had my limbs bandaged in clay, in sulphur, in podolice; but these gave only temporary relief. After trying everything, and suffering the most awful tortures, I began to take Ayer's Sarsaparilla. Inside of two months, I was able to walk without a cane. In three months, my limbs began to strengthen, and in the course of a year, I was cured. My weight has increased to 135 pounds, and I am now able to do my full day's work as a railroad blacksmith."

A Great German's Prescription.
Dissolved blood, constipation, and kidney and bowel troubles are cured by Karl's Clover Root Tea. For sale by Wells & Warren.

Bugs.—An exchange gets off the following: "The snob bug eats the farmer's grain, the bee moth spoils his honey, the bed bug fills him full of pain, but the humpbug gets his money." This is what the other fellow said: "The lightning bug can't thunder much, the big bug has no fame, the gold bug has no argument, but he gets there just the same."

Are You Made Miserable by Indigestion, Constipation, Dizziness, Loss of Appetite, Yellow Skin? Shiloh's Vitalizer is a positive cure. For sale by Wells & Warren.

New Plan.—The politician shook his head emphatically. "There is no use in getting up a platform, as far as I am concerned," he said. "I shall not run for office on a platform this time." "But, my dear sir," protested the party manager, "it is necessary in order to get the votes." "Nonsense," replied the politician, "I shall make my race this time on a pneumatic tire and endeavor to capture the bicycle vote."

Pills Do Not Cure.
Pills do not cure constipation. They only aggravate. Karl's Clover Root Tea gives perfect regularity of the bowels. For sale by Wells & Warren.

Nearly Out of Fodder.—An Arkansas paper says in one of the mountain counties only one man took a newspaper and all the citizens for some distance around would gather to hear the news when it came. A listener one time asked what the democrats were doing in congress. "Oh," replied the reader, "they're playing the dickens over there. They've passed a law adding two months to the year, and the worst of it is they made both winter months." "Blasphemous!" said a listener, "and I'm nearly out of fodder!"

All last winter Mr. Geo. A. Mills, of Lebanon, Conn., was badly afflicted with rheumatism. At times it was so severe that he could not stand up straight, but was drawn over on one side. "I tried different remedies without receiving relief," he says, "until about six months ago I bought a bottle of Chamberlain's Pain Balm. After using it for three days my rheumatism was gone and has not returned since." For sale by Conser & Brock.

Not a Success.—The Linton horse meat "industry" has just closed up its sanguinary establishment for the best of reasons—there was nothing in it for the promoters. In something less than a year 7,000 horses and ponies have been slaughtered at that place. Now the company finds itself with a large quantity of barreled horse meat upon its hands that they can neither sell in this country nor in Europe. Even Japan would not take any of the stuff. This is the result the Tomahawk predicted some months ago. It is stated that even the fertilizer made from the bones and offal of the horses could not be sold with sufficient profit to continue the business longer without loss to the company. On humanitarian lines arguments had no avail, but when it came to touching the pockets of the promoters they quit.—Portland Tomahawk.

Before you try anything else for the blood take Simmons Liver Regulator. It is the best blood medicine because it is the best liver remedy. If your liver is active and at work the blood will be the best. Simmons Liver Regulator is the best spring medicine. "I tell my friends if they want to enjoy health and happiness they ought to take Simmons Liver Regulator."—Mrs. R. W. Smith, McIntosh Bluff, Ala.

Deceased had been ill for months and her death was not unexpected. The remains will be interred in the Heppner cemetery under the auspices of the Eastern Star, of which order Mrs. Wells was a member.
