After Acute Bronchitis  
CURED BY USING  
**AYER'S Cherry Pectoral**  
A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

The base of Ayer's Hair Vigor is a refined and delicate fluid, which does not soil or become rancid by exposure to the air, and which is as perfect a substitute for the oil supplied by nature in youth and health, as modern chemistry can produce.

J. V. Crawford departed on last night's train for his home at Watsburg, Wash., after having spent about four weeks in our city. He had charge of the stinging during the protracted meetings at the opera house and gave splendid satisfaction in that capacity.

"Success is the reward of merit" not of assumption. Popular appreciation is what tells in the long run. For fifty years, people have been using Ayer's Sarsaparilla, and today it is the blood-purifier most in favor with the public. Ayer's Sarsaparilla cures.

On the way to Heppner yesterday, Mr. and Mrs. A. Ashbaugh met with quite an accident cut in Cason canyon, about a half mile this side of the Rhea creek bridge. Their vehicle collided with the stage, breaking the tongue and double-trees of Mr. Ashbaugh's wagon, but injuring neither occupants nor horses. The stage was uninjured.

Grant Co. News: A whole mountain of asbestos has been found on Beach creek about four miles north of Mr. Vernon, near Mr. Adam Gordon's residence. Mr. Gordon, Chas. Angell and O. W. Birge were in town last Saturday making the necessary location of the premises according to law, and will thoroughly prospect the premises. The fibre varies from a half inch to two inches in length, and is of excellent quality. A band of sheep had been herded over the mountain, and where their hoofs had beaten the rock the threads of the mineral could be gathered up like so much wool.

Hilleboro Independent: The news reports to the Dalles give a quite full report of a speech our Hon. H. V. Giese made in Heppner last Saturday night, before the republican club of that town. Mr. Giese spoke particularly on the tariff and the effects of free trade on wool. He is quite well acquainted with the wool growing industry of South America, and his address had some knowledge of the Oregon wool industry, hence his speech was on a subject that fully interested the people of Morrow county. Mr. Giese is to speak before the Heppner club, this county, next Saturday, the 21st inst.

STRAYED AWAY—A short time since a horse belonging to A. Abrahamson, of this city, strayed away from Heppner and has not since been found. The horse was brown in color and had a barb wire cut in the right flank. Finder will confer a great favor by returning same to the owner in this city. S. S.

Good ORGANIZATION.—Last Friday a number of republicans gathered at the Upper Rhea creek school house in Matteson precinct for the purpose of organizing a republican club. A large crowd was present and when the list was circulated 23 signed the same and at the meeting the following day 8 more joined in the good work of republicanism. The following officers were selected for the coming two years: D. A. Hamilton, pres; B. F. Hevland, vice pres; Frank Beard, secy. After this J. B. Manning addressed the club, creating considerable enthusiasm and applause. He was followed by A. W. Patterson, E. A. Brandage, J. N. Brown, A. G. Bartholomew, B. F. Hevland and James Talbert, each of whom stirred up the republicanism in the audience. A short time ago it was reported that but one republican was left in that section, and in view of this the organization of the Upper Rhea Creek Republican Club is certainly very creditable. This will certainly be an active organization during the present campaign.

WON'T SELL.—It seems that sheepmen will not sell their sheep at the prices that have been offered. Over in Umatilla county, the Gazette is informed, yearlings are commanding \$1.25 and two-year-olds \$1.75, at least. Mathew Neese, who lives near the county line between Morrow and Umatilla said at these figures. The Gazette does not desire to encourage sheepmen to hold on and lose their chances to sell, but it seems plain that \$1 and \$1.50's hoop are not plentiful here.

For Dyspepsia and Liver complaint you have a printed guarantee on every bottle of Shiloh's Vitalizer. It never fails to cure. For sale by Wells & Warren.
