

CANCER CURED

—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

Danger Signals
More than half the victims of consumption do not know they have it. Here is a list of symptoms by which consumption can certainly be detected:
Cough, one or two slight efforts on rising, occurring during the day and frequently during the night.
Short breathing after exertion.
Tightness of the chest.
Quick pulse, especially noticeable in the evening and after a full meal.
Chilliness in the evening, followed by slight fever.
Perspiration toward morning and "pale face and languid in the morning."
Loss of vitality.
If you have these symptoms, or any of them, do not delay. There are many preparations which claim to be cures, but Dr. Ayer's English Remedy for Consumption has the highest endorsements, and has stood the test of years. It will arrest consumption in its earlier stages, and drive away the symptoms named. It is manufactured by the Ayer Medicine Co., 16 and 18 Chambers St., New York, and sold by all reputable druggists.

Hood's Sarsaparilla

Sarsaparilla as a blood purifier and building up medicine leads everything ever produced. It is positively the best. Others may make the same claim. But there is this difference: We prove it. Not by antiquity, but by merit. Not by what we say, but by what Hood's Sarsaparilla does. It has a record of Cures unequalled in medical history. It positively, perfectly and permanently cures when all other medicines fail. That the keen discrimination of the people recognizes its merit and the cures by Hood's Sarsaparilla, is shown by the fact that the buy Hood's Sarsaparilla in preference to all others. Hood's Sarsaparilla has a larger sale than all other blood purifiers. It wins confidence everywhere because the statements in its advertising and testimonials are verified by all who take it. No other medicine has ever received such praise, or so many voluntary testimonials of wonderful cures. No other medicine possesses the peculiar combination, proportion and process used in preparing Hood's Sarsaparilla, and which give it merit peculiar to itself. This is the secret of its wonderful power, of its wonderful sales, of its wonderful hold upon the confidence of the people. This is why it cures Scrofula, Salt Rheum, Catarrh, Rheumatism, all Humors, Kidney and Liver troubles, Dyspepsia, That Tired Feeling, builds up the nerves, creates an appetite and strengthens the whole system. Its merit, its sales, its
