

REPUBLICAN COUNTY TICKET.

For Representative, J. N. BROWN, of Heppner. For Sheriff, ANDREW ROOD, of Hardman. For Clerk, A. W. PATTERSON, of Heppner.

Justices and Constables. For Justice of the 1st District, E. L. WOOD. For Justice of 1st District, OTIS SHANER.

How do you like the republican ticket by this time?

IT LOOKS now that Mitchell will be re-elected without opposition.

COL. J. B. EDDY has got his pole up again for congress. Eddy never takes a tumble.

THE fight in Portland waged warm yesterday and, in any event, will result in bitterness.

SUNDAY is Easter. If we forget not Easter has more to do with the weather than the best weather clerk.

THINGS are in bad shape up at Juneau. Many are penniless and murders and robberies are frequent.

OREGON seems inclined to send a delegation to St. Louis for McKinley, but Allison must not be overlooked.

REPORTS from Cuba state that Spain kills all prisoners. The cruelties imposed are shocking to an extreme degree.

THE Salem Post seems to favor the re-election of John H. Mitchell. He has made a good servant for the whole people.

PRESIDENT DIAZ, of Mexico, upholds the United States on the Venezuela matter. His discussion of the matter is quite lengthy but very clear.

CONGRESS has authorized the expenditure of \$20,000 more to make a protecting wall at Cascade Locks. When this work is done the locks will be ready for use.

THE Pendleton Tribune is run by as thorough a jackass as ever brayed a bray. Every time he opens his mouth he makes a bigger ass out of himself.

THE Wasco News says the Heppner Gazette doesn't like Moody. The Heppner Gazette never said so. The Heppner Gazette is for Ellis now and the nominee after the convention.

SENATOR HARTMAN made a hit on the floor of the senate a few days ago when he said that the gold press were opposed to the free coinage of silver but unalterably in favor of the free coinage of falsehood.

THE populists have their ticket in the field now and though the Gazette thinks that they are over-sanguine in their hopes for success, it is composed of good men who will doubtlessly poll the full party strength.

LATE frosts have almost ruined the fruit crop in Morrow county. Winter in the proper season is much more satisfactory than to have it chopped up in little bits and distributed all along through the whole twelve months.

IT IS said that the anti-Dolph men were paid money last winter to fight the idol of the Oregonian. The friends of Mr. Dolph had better let that matter drop. A good many of the legislators could tell stories and prove them that they were on the wrong side to get any money for their vote.

ONE of Simon's polling places down at Portland—the second ward—was located in Sullivan's notorious boarding house, and when the officers endeavored to stop his

intimidating voters he retreated to the upper story of his "ranch" and held up the officers with a shotgun. This is the purity that the Oregonian prates about. If the republican party can stand such work as this it certainly will live against anything.

THE Tribune got "skunked" in Umatilla county. Davis and Gurdane, two old fighters of the ranks of the "30," were nominated for representatives on first ballot and the delegation to the congressional convention is for Ellis. The Tribune can never win as long as it is managed and edited by a "muckle-head."

There are degrees and kinds of poverty, just as there are differences of opinion among those who compute and measure poverty and riches by different standards. Some men deem themselves poor because they are less rich than others, again there are comparatively poor people who are satisfied with a competence. There is a kind of poverty for which no amount of wealth can compensate, namely, a poverty of bodily stamina, evinced by nervousness and derangement of the functions of digestion, bilious secretion and the bowels. To restore vigor upon a permanent basis there is one remedy that fully covers the requirements, "Ellis's Bile" and this is Hetter's Stomach Bitters. By restoring digestion, giving a healthful impulse to the action of the bowels and liver and tranquillizing the nerves, it fulfills the condition necessary to a resumption of strength by the system. It also overcomes malaria and rheumatism.

UMATILLA REPUBLICANS.

The republicans of Umatilla made the following nominations yesterday: For representatives, J. S. Gurdane, E. J. Davis, W. T. Rigby; for county judge, Wm. Martin; for commissioner, T. P. Gilliland; for sheriff, Zoeth Houser; for county clerk, B. S. Burroughs; for recorder of conveyances, H. E. Bickers; for treasurer, Wm. C. Kern; for assessor, E. Gilliam. Ringing resolutions were endorsed. The delegates to the state and congressional conventions are: Belta, Yates, Benn, Kooztz, Wilkins, Moorhouse, Froebel, Fell and Mosgrove. They are not instructed for congressmen but it is conceded that Ellis has most of the delegation.

None But Ayer's at the World's Fair

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla is an effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

KINDS WORDS.

Alvah W. Patterson, of Dorie No. 20, Knights of Pythias, of Heppner, the popular vice president of the Oregon Press Association, is mentioned as the probable nominee of his party for the office of clerk of Morrow county. Alvah has the ability to fill such a position.

From the East Oregonian.

The nomination of A. W. Patterson, by the republicans of Morrow county, for the office of county clerk, caused the greatest amount of interest in this city and county, where he is very well and favorably known. Mr. Patterson has been for a long time an active worker for his political party, not only in Morrow county, but in the state, where his influence has been felt in several campaigns. This is the first time he has asked his party for anything, and no doubt he will receive the hearty support of all its members, now that he has been nominated for office. The contest for the nomination was spirited. Messrs. Garrigues, Mallory and Hynd made gallant fights and showed that they had strong personal followings and commanded a large amount of respect in the county of Morrow. Many of the men concerned in the contest were once Umatilla county men, for Morrow was once a part of this county. Mr. Patterson is a prominent Knight of Pythias, and at the grand lodge next to be held will be the state orator. He is vice-president of the Oregon Press Association, and personally an agreeable, obliging, honorable, competent man, who, if elected, will bring all these qualities to the service of the people in the office of county clerk.

An Anecdote.

This is to certify that on May 11th, I walked to Meilick's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm for inflammatory rheumatism which had crippled me. After using three bottles I am completely cured. I can cheerfully recommend it.—Charles H. Wetzel, Sunbury, Pa. Sworn and subscribed to before me on August 1st, 1894.—Walter Shipman, J. P. For sale at 50 cents per bottle by Conser & Brock, druggists.

FREED ENCOURAGED.

Mr. W. A. Johnson, who has just returned from a visit to Heppner, states that prospects for good times in Morrow county are flattering. Sheep buyers are numerous in the county, offering from \$1.25 to \$1.75 for yearling wethers, and a slight advance over this for stock sheep. The grain farmers are feeling encouraged, since every thing is favorable for them, the fall wheat having sustained no material damage during the winter and a large acreage of spring grain is being sown.—T. POPULIST CONVENTION.

The Convention met yesterday and selected a Fall Ticket—Resolutions Followed. As per agreement at the time of the meeting of the populist convention of this county which adjourned on the 7th of February, the delegates again convened yesterday morning at the court house at 9 o'clock pursuant to the call of the chairman of the convention, J. L. Swift. Besides the chairman, Secretary Stanton and assistant secretary Pearl Jones were also in their places. On the basis of representation the convention would have been composed of 48 delegates. On roll call and after awaiting the report of the committee on the credentials of delegates elected after the former meeting it was shown that 44 votes were cast either by delegate or proxy, leaving four votes unrepresented, probably from precincts where no primaries had been held.

No further preliminaries appearing, R. W. Turner and Wm. Crabtree were appointed as tellers when nominations were declared in order.

SCHOOL SUPERINTENDENT.

Mrs. Martha Fuqua and Miss Addie Conlee were the nominees. On vote Mrs. Fuqua received 7 votes and Miss Conlee 35. Miss Addie Conlee, of this city, was declared the nominee for school superintendent. Miss Conlee made a good race last year, and though unsuccessful, her nomination is a deserved compliment.

ASSESSOR.

Wm. Crabtree, W. Metter, C. A. Repass, Thos. Hoskins and Ralph Bengel were placed in nomination. Repass, Metter and Bengel declined and on vote Crabtree received 36 votes and Hoskins 6. Wm. Crabtree, of Mattoon, was declared the nominee.

SURVEYOR.

For the office of surveyor, R. W. Turner, Spencer Akers and Wm. Duran were named. The latter two declined and R. W. Turner, of Sand Hollow, was nominated by acclamation.

CORONER.

Courtesies were exchanged and a number placed in nomination for this office, but all as speedily declined, and Jas. Mitchell, of this city, was nominated by acclamation.

The convention then adjourned for lunch and convened again at 1 o'clock for the purpose of holding a ratification meeting. L. W. Lewis, who presided, first introduced the Hon. John C. Lane, of Grant county, who had stopped over on his way home from the state gathering to attend the convention. Mr. Lane spoke for more than one hour in defense of populism. He was followed by J. L. Swift, the nominee for representative, who thanked the convention for the honor conferred. Herman Caldwell, L. W. Lewis and W. B. Ewing also spoke briefly after which the gathering adjourned sine die.

DEATH OF HARDMAN.—The sudden death of Geo. A. Brown, the Hardman business man, yesterday about noon, surprised people here very much, though his severe illness was well known. Mr. Brown and family spent several days in town last week, leaving for home on Friday. He was not well at that time, having a very severe cold which soon developed into pneumonia. Mr. Brown leaves a wife and young child to mourn his untimely demise, besides a host of true friends. Mr. Brown was a genial, whole-souled man and strictly honorable. His death means an irreparable loss to the county and community. He was a member of the I. O. O. F., and no doubt his interest will occur at Hardman under the auspices of that order.

B. Parsons, Asa Thompson and W. Brunk, by Asa Thompson, proxy, one-half vote to Mr. Handy, but remained as an interested spectator throughout the entire proceedings. The republicans all hope that this unfortunate incident was settled satisfactorily to all and that no hard feelings exist.
