A Walls Walls man went to sleep the other night and dreamed he was in a city entirely governed by women, says the Statesman. It was scrupulously clean, and while wandering around he saw three men arrested for spitting on the pavements. A garbage box at the rear end of each lot was band painted and tied with a blue ribbon. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a con-stitutional treatment. Heli's Catarrh stitutional treatment. Hell's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one bundred dollars for any case that it fails to cure. Send for list of testimonials. Address,

> During the winter of 1893, F. M. Martin, of Long Reach, West Va, contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlein's Cough Remedy, which relieved me almost instantly, and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief.
