

**THE BEST FAMILY MEDICINE**  
She Has Ever Known. Words of Praise from a New York Lady for

**AYER'S PILLS**  
"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent the gripes, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known. Mrs. MARY JOHNSON, 308 Rider Avenue, New York City.

**Women**

Mrs. Nancy B. Gregg died at her home in Walla Walla, Wash., on Sunday, May 10th, 1896, of catarrhal pneumonia, aged 66 years.  
Deceased was born at Cincinnati, Ohio, in 1830. Her maiden name was Singer and she was married to W. P. Gregg at Danville, Indiana, about 1850. Her husband, who was an expert printer, enlisted in a company of Indiana volunteers in 1861, and served till the end of the war. His health was undermined by his military services and he died in 1863.  
In 1884 Mrs. Gregg removed from Indiana to Walla Walla where she resided until the time of her death with her daughter, Mrs. W. H. Carnes. She was a noble, true hearted woman, and a great worker in G. A. R. and W. R. C. circles, and was the department secretary for Washington and Alaska of the Woman's Relief Corps. In this work she was at all times very active, as she always was in all matters to which she gave her attention. In all these she will be greatly missed by her neighbors and those connected with her.  
Of her own family she leaves H. C. Gregg and Mrs. Lizzie Carnes, of Walla Walla, Mrs. Mary Patterson, of Heppner, J. L. Gregg, of Canton, Ill., and Mrs. Matilda Gayes, of Nobileville, Ind. She also leaves three sisters and one brother, the latter, J. L. Singer, residing at Walla Walla.  
Mrs. Gregg was quite well known in Heppner where she visited several different times and impressed all who met her that she was one of nature's noble women. She lived to do others good and died to receive the reward of the faithful.  
For your Protection.—Catarrh "Cures" or Tonic for Catarrh in liquid form to be taken internally, usually contain either Mercury or Iodide of Potassa, or both, which are injurious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, ears and throat. Cold in the head causes excessive flow of mucus, and, if repeatedly neglected, the results of catarrh will follow: severe pain in the head, a roaring sound in the ears, bad breath, and oftentimes an offensive discharge. The remedy should be quick to allay inflammation and heal the membrane. Ely's Catarrh is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.  
Billy Means passed through town today with a fine band of males.  
A Baby's Life Saved.

Geo. Hufford, Yakima Jack and Stee Matlock got in with Cass Matlock's stable last Saturday. This stable consists of Leon, Lela, Roby, Ruth, Herman and Gertrude, the last named, a two-year-old.  
Salem Statesman: It would seem that the country has had enough of "modern protection." Republicans, in the second district, get out and see to it that Mr. Ellis is elected by a large majority. The democratic wool growers of Eastern Oregon, too, ought to lend their aid.

**Nervous**

Who are nervous, weak, worn out with local troubles find pure blood, nerve strength, and perfect health in Hood's Sarsaparilla.  
We do not say the above to raise false hope. It has been the experience of many, very many women in those intensely trying periods which demand and consume so much force—those special physical trials we delicately indicate by merely using the words—Maid, Mother, Matron.  
Like a confidential friend we suggest the use of Hood's Sarsaparilla, a reliable blood purifier and tonic; it has helped many others and will help you.  
"I was in poor health five years, broken down in strength, and appetite all gone. Local troubles and other weaknesses intensified my misery. Nervous sick dizziness, heartburn and pains in my back made me think I could never be well again. A friend prevailed upon me to try Hood's Sarsaparilla. I soon began to improve and in six months it restored me to better health than for years. I have found Hood's Sarsaparilla a grand medicine for all troubles peculiar to women."  
I am now strong and healthy and can do a good day's work. I stand by Hood's Sarsaparilla, for it cured me after other medicines failed." Mrs. LUE DIER, Carlville, Illinois.  
This and many similar cures prove that Hood's Sarsaparilla is the One True Blood Purifier. All druggists, \$1. Prepared only by C. I. Hood & Co., Lowell, Mass. Hood's Pills are purely vegetable, carefully prepared. 25 cents.
