Nervous Prostration**

Complete Recovery by the Use of
Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HISSON, Postmaster and Planter, Kinnard's, S. C.

It is a fortunate day for a man when he first discovers the value of Ayer's Sarsaparilla as a blood-purifier. With this medicine, he knows he has found a remedy upon which he may rely, and that his life-long malady is at last conquered. Has cured others, will cure you.

My Kidneys
I was nervous, had pains in my back. I cannot tell what I suffered. My eyesight became affected and I was so despondent I did not have any interest in life. I had two physicians, but my complaints became worse. I was told that I was affected with Bright's disease. A relative urged me to try Hood's Sarsaparilla. I did so and in a short time I began to notice a change in my condition. Things began to appear brighter, my eyes improved and

My Back
did not trouble me so severely. My appetite returned and I gained strength every day. I am now able to do my own work, and feel perfectly well. I cannot find words to express my gratitude for what Hood's Sarsaparilla has done for me and I gladly recommend it. Mrs. ELLA BARTLEY, 218 1/2 S. Grant Ave., Columbus, Ohio.

For your Protection.—Catarrh "Cure" or Tonics for Catarrh in liquid form to be taken internally, usually contain either Mercury or Iodine of Potassa, or both, which are injurious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, ears and throat. Cold in the head causes excessive flow of mucus, and, if repeatedly neglected, the result of catarrh will follow: severe pain in the head, a roaring sound in the ears, bad breath, and oftentimes an offensive discharge. The remedy should be quick to allay inflammation and heal the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.
