

**NOT A SICK DAY
For Over Thirty Years!**

**RESULT OF USING
AYER'S PILLS**

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually as a result of constipation—from dyspepsia, headaches, neuralgia, or both, and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. W. WETSTEIN, Dayton, Ill.

My

Nerves are weak, many people say, and yet they do not seem to know that they are literally starving their nerves. Weak, pale, thin blood cannot give proper sustenance—that is why you are nervous, tired, exhausted. The cure for this condition is to purify, vitalize and enrich your blood. Take Hood's Sarsaparilla fairly and faithfully, and the rich, red blood, which it makes, will soon feed the nerves the elements of true strength they require; they will cease their agitation and will resume their proper place—being under the control instead of controlling the brain and body. Read Miss Bartley's letter:

"I was nervous, had pains in my back. I cannot tell what I suffered. My eyesight became affected and I was so dependent I did not have any interest in life. I had two physicians, but my complaints became worse. I was told that I was affected with Bright's disease. A relative urged me to try Hood's Sarsaparilla. I did so and in a short time I began to notice a change in my condition. Things began to appear brighter, my eyes improved and

A VERY S. D. CASE.
Miss Linda L. Hamley Examined as Her Sonny Today.

From Walla Walla Statesman.
On a telegram from Spokane Sheriff Ellingsworth arrested Miss Linda L. Hamley on the train Tuesday evening, westward bound.

Miss Hamley is the desecrator who was arrested a few days ago in Spokane, charged with being of unsound mind, and about whom much has been published in the different newspapers.

Miss Hamley had an examination last week before Judge Beck, of Spokane who turned her over to her brother, Pierce Hamley, of Kendrick, Idaho, advising Miss Hamley to rest and regain her failing strength.

No sooner had Miss Hamley reached Kendrick when she packed her trunk and started for Portland, claiming she had a mission to perform in that city, notwithstanding the efforts of her family to the contrary.

The examination of the unfortunate lady occurred at 2 o'clock this afternoon before Judge Upton, the examining physician being Dr. Keylor and Y. C. Blalock.

Miss Hamley told a rambling story to Judge Upton of her troubles in Spokane, giving an account of the examination as to her sanity.

When asked if there was insanity in the family she stated that she had a brother who is of unsound mind, but neither of her parents or grand-parents had mental infirmities.

"I am on my way to Portland to clear up a little matter in connection with the hospital. You see it is this way. I have never had credit for the money I turned into that institution, and to bring to justice the person who misappropriated that money is my mission."

Here Miss Hamley asked permission to read answers to the articles in the different papers that she has written but, as she explained, has not had time to send for publication.

These were well worded but showed a diseased condition of the mind of a religious trend.

Judge Upton advised Miss Hamley to rest and stated that he would detain her for that purpose.

"Where are you going to send me?" asked Miss Hamley. "If you send me to the insane asylum I shall most surely go crazy, and you (turning to the physician) will be responsible." Both Drs. Blalock and Keylor endeavored to reason with Miss Hamley with a view to reconciling her to going to the asylum.

"You can't tell me anything about the asylum. I have nursed too long not to know all about it. God knows the hospitals are bad enough, but the asylum, oh no," and she wept bitterly and asked that she might be sent to some quiet place to rest.

The friends of the afflicted desecrator will be communicated with before definite action is taken in the matter, and in the meantime Miss Hamley is in charge of Sheriff Ellingsworth.

The desecrator is a well educated, pleasant looking lady who gives her age as 31.

Note that Ayer's at the World's Fair
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the approval of the rules forbidding the entry of patent medicines and nostrums. The decision of the World's Fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

RESOLUTIONS OF SYMPATHY.

Heppner W. O. T. U. at their last regular meeting appointed the undersigned to draft resolutions of sympathy with Brother and Sister Thompson and their son Ralph on the death of the only daughter and sister.

WHEREAS, It has pleased Almighty God, in His infinite wisdom, to remove from the home of our brother and sister, their dear daughter, Alma Irene, who passed to the higher life on the shining hills of Paradise on May 21, 1895. We would lovingly and earnestly direct the sorrowing ones to "look to the hills whence cometh their help," that they may realize that when earth's joys grow dim the Heavenly Presence will come in and abide with them and be their stay; that they may feel that "Sometime when all life's lessons here have been learned And sun and stars forevermore have set, The things which our weak judgments here have spurned— The things o'er which we grieved with lashes wet— Will flash before us, out of life's dark night, As stars shine most in deeper tints of blue; And we shall see how all God's plans were right, And how what seemed reproof was love most true.

Resolved, That we tender our loving sympathy to the family thus bereaved, and with all of our loved Union bow our heads in sorrow and with trembling lips pray "Thy will be done."

Resolved, That these resolutions be spread on the minutes of the Union, that a copy be sent to the family and to the Heppner Gazette for publication.
