Nervous Prostration
Complete Recovery by the Use of
Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. Hixson, Postmaster and Planter, Klamath Falls, S. C.

GENERAL SHEEP WARR.
Both Local and Outside Sheepmen Meeting With a Warm Reception—Many Sheep Killed.

From the Eagle.
As predicted in previous issues of the Eagle there will be a general sheep war in Grant county this year, especially will this be so if sheepmen overstep the quarantine limits. Ranchers heretofore have not resented when they thought sheep were herded too near, but from all appearances they will do it this year whether legally right or wrong. The Eagle is in a position to know whereof it speaks, as it is of almost daily occurrence that ranchers complain of being imposed upon by outside sheepmen, and that they are going to resent it hereafter.

Early this spring the people of Fox decided that sheep could no longer be promiscuously herded in their valley and thus notified all to that effect, and as a result of their determination, two different bands were shot into over there last week and many sheep killed and wounded. The Eagle is informed that Friday night a band of sheep belonging to Schuff Bros was shot into, resulting in eight being killed outright and about one dozen wounded. Saturday night a similar attack was made on a band belonging to Johnny Neales. This time about 15 sheep were killed outright and about 60 wounded and will die. The herder, one of Geo. Greighton's boys, was in bed asleep when the shooting occurred. A ball struck his dog by his bedside, and the canine went to the giver of all good.

There are reports of trouble pending in various sections of the county, but to date nothing serious has happened. Outlines and ranchers in various parts of the county are closely guarding their range, and many are determined to save some of the grass on government lands even if unlawful means have to be adopted to hold it.

The condition at the present time is serious in many parts of the county, and will yet result in blood being shed.

5 Sores

In combination, proportion and process Hood's Sarsaparilla is peculiar to itself, and unequalled in its merit. No other medicine ever possessed so much curative power, or reached such enormous sales, or made such wonderful cures, as Hood's Sarsaparilla. It is undoubtedly the best medicine ever made to purify, vitalize and enrich the blood.

That is the secret of its success. Read this statement: "When my son was 7 years of age, he had rheumatic fever and acute rheumatism, which settled in his left hip. He was so sick that no one thought there was any hope for him. Five sores broke out on his thigh, which the doctor said were on his thigh, which the doctor said were on his thigh, which the doctor said were on his thigh."

Scrofula

Our rational birthday, the 4th of July, opened up bright and clear last Saturday morning, and before Old Sol had fairly made his appearance over the court house hill all were fully convinced that the day was going to be a very warm one, but then a sultry day is usually one of the main features of a successful celebration, and at even an earlier hour than this the people of Heppner were reminded by the booming of anvils that another anniversary of the nation's independence had arrived, and that it was time to be up and preparing for the events of the day, consequently apologies for Old Sol's early participation in the events of the gala day would have been as strongly resented as would the daylight anvil salutes that robbed the people of their morning naps.

At an early hour the people from the county began to arrive, and by the time the procession formed a large number of Morrow county citizens were in the city all "in touch" for an enjoyable time.

At 10:30 the procession formed on Main street under the direction of Marshal Andrew Heaney and headed by Morrow County Brass Band. Next in order came the liberty car on which was arranged 45 little girls all beautifully dressed in white and representing each state in the Union. Miss Helen Myers presided as the Goddess of Liberty while George and Martha Washington were represented by Master Nelson Bartholomew and Mamie Dunn. Both Miss Myers and the latter representatives were very pretty and appropriately costumed for the occasion. The liberty car was followed by pin carts, bicyclists and a long line of carriage and other vehicles. The line of march was through the principal streets and thence to the grove where the following previously arranged program was carried out:

Music by the band.
Song by glee club.
Prayer by Rev. C. R. Howard.
Song by liberty car girls.
Reading of Declaration of Independence by H. T. Bagley.
Song by male quartette.
Oration by Rev. E. P. Greene.
Song by Honey Abrahamsick.
Song by male quartette.
Song, America, by glee club.
The next in order was dinner, and many a well filled basket was relieved of its contents.

After dinner the sports were opened with a five inning game of base ball between a Willow creek nine and Heppner. The following is the score by innings:

Willow Creek..... 1 2 3 4 5
Heppner..... 0 0 0 3 1—4
..... 9 2 2 5 —18

While the teams were rather unevenly matched, yet the game was not devoid of interest, and a number of good plays were recorded. The center field work of Charley Stanton for the visitors was exceptionally good, he having accepted every opportunity without an error. Stanton made some pretty catches and one good double play. For the home team Norman Myers as pitcher showed both control of the ball and speed and not until after he retired from the box were the visitors able to make a score. Myers is also credited with having scored three runs in four times at the bat, one a three-base and one a home run, the only ones credited during the game. Myers was also given good support behind the bat by Catcher McGowan, who scored four runs in four times at the bat. Lee Matlock played first base in good style and scored three runs out of four times at the bat. S. S. Horner would perhaps have played second in better shape had he not lost a large portion of the outside of his anatomy in making a foot foremost slide while trying to imitate the famous "Kelly slide."

Following the ball game the sports were continued on the racetrack down in front of the grand stand as follows: Bicycle race, 1/4 mile handicap, 2 in 3. Four entries. Frank Natter first; Frank Borg, second.
Fat man's foot race, 60 yards. Tom Durham, first; Bob Dexter, second.
Foot race, 100 yards, ten entries. Homer Harrington first; Frank Natter, second; John Horner, third.
Boys foot race, 12 to 16 years, 100 yds. Lee Resney, first; Homer Stanton, second.
A purse was made up by the judges for a 1/2 mile saddle horse race, only those on the track to be entered. Ten entries were recorded resulting as follows: Cricket, first; Snip, second. In this race the horse entered and ridden by Jess Lucellas broke its left hind leg at the ankle while rounding the turn, which necessitated its being killed. Such accidents are not unknown to the racing world, but it is the first of the kind recorded on the Heppner track.

Tug of war, five married men vs. five single men, the former winning.
Mule race, 1/4 mile, five entries. Mule ridden by Billy Cowins, first; Gene Jones, second.
Girls' foot race, 50 yards. D. L. Resney, first; Jesse Gambell, second; Iris Robbins, third.
Boys' foot race, 10 to 12 years. Ralph Thompson, first; Orie Brown, second; Andy Bond, third.

Perfect Wisdom
Would give us perfect health. Because men and women are not perfectly wise, they must take medicine to keep themselves perfectly healthy. Pure, rich blood is the basis of good health. At 8:30 in the evening on the court house hill, a large lot of fireworks were displayed which were enjoyed for almost two hours by a large crowd of people on the streets and in every part of the city.

The celebration was concluded by a very pleasant ball at the opera house. A large crowd was in attendance and notwithstanding the extremely warm weather all report an enjoyable time.

All in all the celebration was a very successful as well as an enjoyable one, and while practically every citizen in Heppner contributed in some manner to its success, Frank McFarland certainly deserves a good share of the credit for the enthusiastic assistance he gave to every feature of the program. In fact Frank was very much in evidence from the early morning salute until the "Home Sweet Home" waltz.

Last summer one of our grand children was sick with a severe bowel trouble. This certainly is the best medicine ever put on the market for dysentery, summer complaint, colic and cholera infantum in children. It never fails to give prompt relief when used in reasonable time, and the plain printed directions are followed. Many mothers have expressed their sincere gratitude for the cures it has effected. For your Protection.—Catarrh "Cures" or Tonic for Catarrh in liquid form to be taken internally, usually contains either Mercury or Iodine, usually, or both, which are injurious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, ears and throat. Cold in the head causes excessive flow of mucus, and, if neglected, the result is Catarrh of the head, a roaring sound in the ears, bad breath, and sometimes an offensive discharge. Thoroughly should be quick to lay inflammation and head the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.
