**REPUBLICAN  
PLATFORM.**

Full Text of the Declaration  
of Principles.

The Republicans of the United States,  
assembled by their representatives in  
national convention, appealing for popu-  
lar and historical justification for their  
claims to the matchless achievements of  
30 years of Republican rule, earnestly  
and confidently address themselves to  
the awakened intelligence, experience  
and conscience of their countrymen in  
the following declaration of facts and  
principles:

For the first time since the civil war  
the American people have witnessed the  
calamitous consequences of full and un-  
restricted Democratic control of the  
government. It has been a record of  
unparalleled incapacity, dishonor and  
disaster. In administrative management  
it has rashly sacrificed indispensable  
revenue, entailed an increasing deficit,  
eked out ordinary current expenses with  
borrowed money, piled up the public  
debt by \$262,000,000 in time of peace,  
forced an adverse balance of trade, kept  
perpetual menace hanging over the re-  
demption fund, pawned American credit  
to alien syndicates and reversed all the  
measures and results of successful Re-  
publican rule. In the broad effect of its  
policy it has precipitated panic, blighted  
industry and trade with prolonged de-  
pression, closed factories, reduced work  
and wages, halted enterprise and crippled  
American production while stimulat-  
ing foreign production for the Ameri-  
can market. Every consideration of  
public safety and individual interest  
demands that the government shall be  
reformed from the hands of those who  
have shown themselves incapable to  
conduct it without disaster at home and  
dishonor abroad, and shall be restored to  
the party which for 30 years adminis-  
tered it with unequalled success and  
prosperity; and in this connection we  
heartily endorse the wisdom, patriotism  
and success of the administration of  
President Harrison.

**FINANCIAL PLAN.**

The republican party is unreservedly  
for sound money. It caused the enact-  
ment of the law providing for the  
resumption of specie payments in 1879;  
since then every dollar has been as good  
as gold.

We are unalterably opposed to every  
measure calculated to debase our cur-  
rency or impair the credit of our coun-  
try.

We are, therefore, opposed to the free  
coinage of silver, except by international  
agreement with the leading commercial  
nations of the world, which we pledge  
ourselves to promote, and until such an  
agreement can be obtained, the existing  
gold standard must be preserved. All  
of our silver and paper currency now in  
circulation must be maintained at a  
parity with gold, and we favor all mea-  
sures designed to maintain inviolable the  
obligations of the United States and all  
our money, whether coin or paper, at the  
present standard—the standard of the  
most enlightened nations of the earth.

**AS TO PENSIONS.**

The veterans of the Union armies de-  
serve and should receive fair treatment  
and generous recognition. Whenever  
practicable they should be given prefer-  
ence in the matter of employment and  
they are entitled to the enactment of  
such laws as are best calculated to se-  
cure the fulfillment of pledges made to  
them in the dark days of the country's  
peril. We denounce the practice in the  
pension bureau, so recklessly and un-  
justly carried out by the present adminis-  
tration, of reducing pensions and arbi-  
trarily dropping names from the role as  
deserving the severest condemnation of  
the American people.

**OUR FOREIGN POLICY.**

Our foreign policy should be at all  
times firm, vigorous and dignified, and  
all our interests in the western hemi-  
sphere carefully watched and guarded.  
The Hawaiian islands should be con-  
trolled by the United States, and no foreign  
power should be permitted to interfere  
with them; the Nicaragua canal should  
be built, owned and operated by the  
United States; and by the purchase of  
the Danish islands we should secure a  
proper and much needed station in the  
West Indies.

The massacres in Armenia have aroun-  
ded the deep sympathy and just indigna-  
tion of the American people, and we be-  
lieve the United States should exercise  
all the influence it can properly exert to  
bring these atrocities to an end. In  
Turkey American residents have been  
exposed to the gravest dangers and  
American property destroyed. There  
and everywhere American citizens and  
American property must be absolutely  
protected at all hazards and at any cost.

**MONROE DOCTRINE.**

We reassert the Monroe doctrine in  
its fullest extent and we reaffirm the  
right of the United States to give the  
doctrine effect by responding to the ap-  
peals of any American state or friendly  
intervention in case of European en-  
croachment.

We shall not be interfered and shall  
not interfere with the existing posses-  
sions of any European power in this  
hemisphere, but those possessions must  
not, on any pretext, be extended. We  
hopefully look forward to the event-  
ual withdrawal of European powers  
from this hemisphere and to the ultimate  
union of all English speaking parts of  
the continent by free consent of its in-  
habitants.

**CUBAN RESOLUTIONS.**

From the hour of achieving their own  
independence, the people of the United  
States have regarded with sympathy the  
struggles of other American people to  
free themselves from European domina-  
tion. We watch with deep and abiding  
interest the heroic battle of the Cuban  
patriots against cruelty and oppression;  
and our best hopes go out for the full  
success of their determined contest for

**ON RECIPROcity.**

We believe the repeal of the reciprocity  
arrangements negotiated by the last  
Republican administration was a national  
calamity and we demand their renewal  
and extension on such terms as will  
equalize our trade with other nations,  
remove restrictions which now obstruct  
the sale of American products in ports  
of other countries, and secure enlarged  
markets for the products of our farms,  
forests and factories.

Protection and reciprocity are twin  
measures of Republican policy, and go  
hand in hand. Democratic rule has  
recklessly struck down both, and both  
must be re-established; protection for  
what we produce; free admission for the  
necessaries of life which we do not pro-  
duce; reciprocal agreement of mutual  
interests which gain open markets in re-  
turn for our open markets to others.  
Protection builds up domestic industry  
and trade, and secures our own market  
for ourselves; reciprocity builds up for-  
eign trade and finds an outlet for our  
surplus.

**SUGAR.**

We condemn the present administra-  
tion for not keeping faith with the sugar  
producers of this country. The Repub-  
lican party favors such protection as will  
lead to the production on American soil  
of all sugar which American people use  
and for which they pay other countries  
more than \$100,000,000 annually.

**WOOL AND WOOLENS.**

To all our products, to those of mine  
and field as well as those of the shop  
and factory; to hemp, to wool, to the  
product of the great industry husbandry,  
as well as to finished woolsens of the  
mill, we promise most ample protection.

**MERCHANT MARINE.**

We favor restoring the early American  
policy of discriminating duties for the  
upbuilding of our merchant marine and  
the protection of our shipping interests  
in the foreign carrying trade, to Ameri-  
can ships—the product of American  
labor employed in American shipyards,  
sailing under the Stars and Stripes, and  
manned, officered and owned by Ameri-  
cans—may regain the carrying of our  
foreign commerce.

**FINANCIAL PLAN.**

The republican party is unreservedly  
for sound money. It caused the enact-  
ment of the law providing for the  
resumption of specie payments in 1879;  
since then every dollar has been as good

liberty. The government of Spain hav-  
ing lost control of Cuba and being unable  
to protect the property or lives of resi-  
dent American citizens or to comply with  
its treaty obligations, we believe the  
government of the United States should  
actively use its influence and good office  
to restore peace and give independ-  
ence to the island.

**THE NAVY.**

The peace and security of the republic  
and the maintenance of its rightful in-  
fluence among the nations of the earth  
demand a naval power commensurate  
with its position and responsibility. We,  
therefore, favor continued enlargement  
of the navy and complete system of har-  
bor and seacoast defenses.

**FOREIGN IMMIGRATION.**

For the protection of the quality of our  
American citizenship and of wages of our  
workmen against the fatal com-  
petition of low priced labor, we demand  
that the immigration laws be thoroughly  
enforced and so extended as to exclude  
from entrance to the United States those  
who can neither read nor write.

**CIVIL SERVICE.**

The civil service law was placed on  
the statute books by the republican  
party, which has always sustained it,  
and we renew our repeated declarations  
that it shall be thoroughly and honestly  
enforced and extended wherever practi-  
cable.

**FREE BALLOT.**

We demand that every citizen of the  
United States shall be allowed to cast a  
free and unrestricted ballot, and such  
ballot shall be counted and returned as  
cast.

**LYNCHING.**

We proclaim our unqualified condem-  
nation of the uncivilized and barbarous  
practice known as the lynching or killing  
of human beings suspected or charged  
with crime, without process of law.

**NATIONAL ARBITRATION.**

We favor the creation of a national  
board of arbitration to settle and adjust  
the differences which may arise between  
employers and employed engaged in in-  
terstate commerce.

**HOMESTEADS.**

We believe in the immediate return  
to the free homestead policy of the Re-  
publican party, and urge the passage  
by congress of the satisfactory free  
homestead measure which has already  
passed the house and is now pending  
in the senate.

**TERRITORIES.**

We favor the admission of the remain-  
ing territories at the earliest practicable  
date, having due regard to the interest of  
the territories and the United States. All  
federal officers appointed for territories  
should be selected from bona fide resi-  
dents thereof, and the right of self-govern-  
ment should be accorded as far as prac-  
ticable. We believe the citizens of Alas-  
ka should have representation in the  
congress of the United States to the end  
that needed legislation may be intelli-  
gently enacted.

**TEMPERANCE.**

We sympathize with all wise and legi-  
timate efforts to lessen and prevent the  
evils of intemperance and promote mor-  
ality.

**RIGHTS OF WOMEN.**

The Republican party is mindful of  
the rights of women. Protection of  
American industries includes equal  
opportunities, equal pay for equal  
work and protection to the home. We  
favor the admission of women to wider  
spheres of usefulness and welcome their  
co-operation in rescuing the country from  
Democratic and Populist mismanagement  
and misdeeds.

**DISEASES OF THE SKIN.**

The intense itching and smarting inci-  
dent to eczema, tetter, salt-rheum, and other  
diseases of the skin is instantly allayed by  
applying Chamberlain's Eye and Skin  
Ointment. Many very bad cases have been  
permanently cured by it. It is equally  
efficient for itching piles and a favorite rem-  
edy for sore nipples, chapped hands, chil-  
blains, frost bites, and chronic sore eyes.

—Salmon Steak.—Steep for an hour  
or so four middle-cut, good-sized sal-  
mon steaks with a glass of sweet oil,  
salt and pepper and the juice of a lemon.  
About half an hour before serving,  
broil them light brown over a charcoal  
fire, and garnish with quartered lemons  
and serve with a bowl of tartar sauce.—  
Boston Budget.

—Crumbs spread over the tops of  
dishes should be mixed evenly with  
melted butter over the fire. This is a  
better method than having lumps of  
butter dotted over the crumbs after they  
are spread. When the sauce bubbles  
through the crumbs on top of a  
saucy dish the cooking is completed.—  
The Cook.

—Egg Dressing for Salads.—Take the  
yolk of one hard-boiled egg, one tea-  
spoonful of sugar, one-half teaspoonful  
of salt, one teaspoonful of acetic  
acid and one tablespoonful of but-  
ter. Cream the ingredients and add  
gradually two tablespoonfuls of wine-  
gar. Chop the white of the egg fine and  
add it to the salad. This is especially  
desirable for colds.—Household.

**Fits Cured**

Prof. W. H. Peck, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician; his success is astonishing. We have heard of cases of so years' standing cured by him. He publishes a valuable work on this disease, which he sends with a large box of medicine free to any sufferer who may send their P. O. and Express address. We advise any one wishing a cure to address Prof. W. H. PECK, P. O. Cedar St., New York

such as the "car-window" which can be easily slid up and down without breaking the passenger's back, the "National Recorder," published at Washington, D. C., which is the best newspaper published in America in the interest of inventors. We furnish a year's subscription to this journal, free of cost, to all our clients. We also advertise, free of cost, the invention each month which wins our \$500 prize, and hundreds of thousands of copies of the "National Recorder," containing a sketch of the winner, and a description of his invention, will be scattered throughout the United States among capitalists and manufacturers, thus bringing to their attention the object of the invention.
