

CANCER CURED

—AND—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

THE Heppner Gazette

CALENDAR

For the month of AUGUST

Miss Alta Rash has returned from Portland where she spent several weeks visiting relatives.

Hon. E. H. Thompson, representing The Bridal Veil Lumbering Co., was in Heppner last Saturday.

People are still going mountaineering, but no doubt it is quite cool there since the shober yesterday.

Silas Wright and Al Florenco both report an abundance of grasshoppers out at their respective ranches.

The great ball game between the "fats" and "leans" will be worth seeing. The date has not been agreed upon.

Joe Johnson and another were over from Butter creek Saturday. While in town he had a narrow escape from a runaway.

Lost—On the streets of Heppner, a gold watch and chain. Finder will receive a reward by leaving same at the Gazette office.

Miss Monte Myers has just arrived and is prepared to do fashionable dress making at reasonable prices. Parlor 20, Palace hotel.

Geo. W. Smith was up from his Lexington ranch Saturday. His grain will average ten bushels per acre this season, he thinks.

E. O. John Richie, who lives three miles below Pendleton, is the father of a two-month-old boy who has 22 well-formed fingers and toes.

Dandruff forms when the glands of the skin are weakened, and if neglected, baldness is sure to follow. Hall's Hair Renewer is the best preventive.

G. E. Hat, the tonorial artist, can be found at his parlors, Matlock corner, where he will dispense at popular prices, shaves, shampoos, haircuts, etc.

Any inventor in Eastern Oregon who desires the services of an attorney in Washington, D. C., will find it to his advantage to call on or address this paper.

A terrible railroad accident near Atlantic City, N. J., caused the death of nearly 100 people. The Reading express crashed into a Pennsylvania excursion train at a crossing.

For \$25.00 I will sell a first class, high grade, high arm sewing machine guaranteed for 10 years. For further particulars call on or address N. A. Leach, Lexington, Oregon. 88-17.

Grant Co. News: I. Jewett has disposed of his Silver Valley ranch to Phil Metcham. Frank is out there making hay, and expects to reside there with his family later on.

The road from Heppner to Mitchell, known generally as the Parish creek road, is completed sufficiently to enable teams to get over all right, though the work is not entirely finished.

Rural Spirit: Secretary Todd, of the Spokane racing association, has announced the Rural Spirit Stakes, which will be run on the first day of the meeting. This will be the greatest 2 year old run of the season.

Hon. H. Blackman, collector of internal revenue for the district of Oregon, Washington and Alaska, accompanied the family of the late E. J. Sloan on their homeward trip last Thursday, returning to Portland on Friday.

Charley Jones, the well-known "old timer" in the tonorial line, has again located in Heppner, having purchased Green Mathews' shop, Minor building opposite the city hotel. Charley will appreciate a call when in town.

If any old subscriber does not hereafter receive the paper he should not consider anything personal as a reason why it is not continued. We have adopted a new rule which we must follow in order to prevent going "busted."

This little piece of daggel is giving the rounds of the press: How dear to our hearts is each on subscription, when the generous subscriber presents it to us; but the man who don't pay—we refuse from description, for perhaps, aquatic reader, that man might be you.

"It is immaterial, in my judgment, whether the sheep grower receives any benefit from the tariff or not."—Whether he does or does not I am for free wool.—Extract from speech of William J. Bryan in the House of Representatives when the Wilson bill was under consideration.

"A Bitch in Time"—A dose of Ayer's Pills has saved many a life of sickness; but when a remedy does not happen to be at hand, slight ailments are liable to be neglected, and the result, frequently to serious illness; therefore be supplied with Ayer's Pills.

Proposed Ball Game.

There is some talk of a base ball game between the "fats" and "leans." Such heavyweights as Drs. McFaul and McSwords, Tom Darban, Geo. Conser, Newt. Whitstone, and the Gazette's editor are supposed to be the kind of timber necessary to "do" the "leans," who will be represented by material like Geo. Fell, Jake Wells, Tom Buckley, Dave Drimes and W. E. Brock. Score cards with three columns for each half inning will be printed so that to player's score will be crowded out.

Muscle, bones, avordpoids, science and generalship will enter largely into the proposed match. No beverages will be allowed to remain on the grounds during the game—any longer than it will take to drink them. All will please take notice.

Six weeks ago I suffered with a very severe cold; was almost unable to speak. My friends all advised me to consult a physician. Noticing Chamberlain's Cough Remedy advertised in the St. Paul News Zeitung I procured a bottle, and after taking it a short while was entirely well. I now most heartily recommend this remedy to anyone suffering with a cold. Wm. Kail, 678 Selby Ave., St. Paul, Minn. For sale by Conser & Brock.

Fraternization at Hardman.

On Saturday night, August 8th, J. L. Mitchell, of Portland, Dep. Sup. Commander of the order of the Knights of Measobers, accompanied by several Sir Knights of Heppner Tent, will visit Hardman, when Mr. Mitchell will deliver an address on "Fraternization." The citizens of that part of the county should not fail to attend. Mr. Mitchell will surely interest them. Ladies as well as gentlemen are invited, the meeting being free to all. The address will commence promptly at 8:30 p. m. Good singing will be provided if possible by the visiting Sir Knights.

McKintley Bill, with Napoleon eye, says: "Bryan let's drink some Linwood Rye; we meet as friends, my words are few, I hope they don't, dear Brian Rye is the best. And Bryan says, in a joking manner, 'I wonder that's what the matter with Hanna that's horse and horse, you funny fellow. When I see my wife I am bound to teller.' They gravely bowed, and they winked an eye. And they drank some more good Linwood Rye. Sold only at the Belvedere Saloon, E. G. Sperry, Prop.

FOR YOUR PROTECTION.—Cataract "Cures" or Tonics for Cataract in liquid form to be taken internally, usually contain either Mercury or Iodine of Potass, or both, which are injurious if too long taken. Cataract is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, ears and throat. Cold in the head causes excessive flow of mucus, and, if repeatedly checked, the result of catarrh will follow; severe pain in the head, a roaring sound in the ears, bad breath, and sometimes an offensive discharge. Theredmy should be quick to allay inflammation and break the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.
