from a New York Lady for AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derange-

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known."-Mrs. May Johnson, 368 Rider Avenue, New York City.

Novelist Du Terrall Forgot That He Had
Killed One of His Characters.

A great master of the art of throwing A great master of the art of throwing A great master of the art of throwing off stories by daily installments was Ponson du Terrail. When he was at the height of his vogue, says the Boston Transcript, he kept three running at the same time in different papers. His

the same time in different papers. His fertile imagination was never at a loss, but his memory frequently was. He was apt to forget to-day what he did with a hero or heroine yesterday. To help his memory he at hirst noted down briefly in copy books what happened to his men and women, but hinding that often he could not read his own writing he invented a new system. He proing he invented a new system. He procured little leaden figures, on which he gummed the names of his characters as the were born. Supposing there were three stories running, there were three sets of figures in different drawers. When a character was settled off the his way down home and thus prevented little man or woman in lead was taken away from its companion and laid

Frank H Benge, Mary J. Benge, his wife, Lewis J. Schewrich and Schewrich, his wife, De-

aside.

One day when Ponson du Terrail was all behind in his work he set himself to his task without examining the slain. His bad memory led him into a terrible blunder. He had forgotten that he had killed Rocambole—the still famous Rocambole—in the previous feuilleton, and to the great surprise of the roader he made him talk again as if nothing out of the common had befallen him. This resuscitation of Rocambole is one of the most curious things in the listory of the romans-feuilleton.

Fire Annihilators la London.

In London every public building from the queen's palace down is supplied with a fire annihilator. Some of the large ones will produce 17,000 gallions of carbonic gas and steam in the space of four or five minutes.
