REPUBLIGAN PLATFORM.

Full Text of the Declaration of Principles.

The Republicans of the United States, seembled by their representatatives in national convention, appealing for popular and historical justification of their claims to the matchless achievements of 30 years of Republican rule, earnestly and confidently address themselves to the awakened intelligence, experience

disaster. In administrative management foreign commerce. it has rutblessly sscrificed indispensible revenue, entailed an increasing deficit, eked out ordinary current expenses with Slowboy's suit did you call attention to borrowed money, piled up the public debt by \$262,000,000 in time of peace, forced an adverse balance of trade, kept felt he could never repay you for what perpetual menace hanging over the redemption fund, pawned American credit to alien syndicates and reversed all the measures and results of successful Republican rule. In the broad effect of its policy it has precipitated papic, blighted industry and trade with prolonged depression, closed factories, reduced work and wages, halted enterprise and crippled American production while stimulating foreign production for the American market. Every consideration of only won \$2, when I might just as well public safety and individual interest have made it a thousand, since I was in demands that the government shall be rescued from the hands of those who have shown themselves incapable to conduct it without disaster at home and dishonor abroad, and shall be restored to the party which for 30 years administered it with unequaled success and prosperity; and in this connection we heartily indorse the wisdom, patriotism -All the More Reason.-He had met and success of the administration of President Harrison.

THE TARIFF.

We renew and emphasize our alle giance to the policy of protection as the bulwark of American industrial independence and the foundation of Amerian development and prosperity. This true American policy taxes foreign products and encourages home industry and puts the burden of revenue on foreign goods; it secures the American market the American standard of wages for the American workingmen; it puts the factory by the side of the farm, and makes the American farmer less dependent on come into competition with American American labor from the degredation to

ow stripe, knitting in the two black schedules. The question of rates is a conditions of the time and of production These directions are contributed by a The roling and ancompromising princibe reliable. But I should advise anyone | American labor and industry. The who thinks them complicated to cut a country demands a right settlement and

ON BREEPROCETY.

We believe the repeal of the reciprocity arrangements negotiated by the last Republican administration was a national calsmity and we demand their renew al and extension on such terms as will equaliza our trade with other nations, remove restrictions which now obstruct the sale of American products in ports of other countries, and secure enlarged up as high as ankle and have patient murkets for the products of our turns,

Protection and reciprocity are twin measures of Republican policy, and ghand in hand. Democratic rule has recklessly struck down both, and norh On receipt of ten cents, cash or stames, a generous sample will be mailed of the most popular Catarrh and Hay Fever Cure (Ely's Cream Balm) sufficient to demon. necessaries of life which we do not produce; reciprocal agreement of mutual interests which gain open markets in return for our open markets to others. Protection builds up domest'e industry and trade, and secures our own market interest the heroic buttle of the Cuban

We condemn the present administraproducers of this country. The Republican party favors such protection as will lead to the production on American soil of all sugar which American people use and for which they pay other countries more than \$100,000,000 annually.

WOOL AND WOOLENS. To all our products, to those of mine and field as well as those of the shop

product of the great industry husbandry, as well as to finished woolens of the mill, we promise most ample protection.

MERCHANT MARINE.

We favor restoring the early American and conscience of their countrymen in policy of discriminating duties for the the following declaration of facts and upbuilding of our merchant marine and the protection of our shipping interests For the first time since the civil war in the foreign carrying trade, to Amerthe American people have witnessed the ican ships—the product of American calamitous consequences of full and un- labor employed in American shipyards, restricted Democratic control of the sailing under the Stars and Stripes, and government. It has been a record of manned, officered and owned by Amerunparalleled incapacity, dishonor and icans-may regain the carrying of our

FINANCIAL PLANK.

The republican party is unreservedly for sound money. It caused the enactment of the law providing for the esumption of specie payments in 1879; since then every dollar has been as good as gold.

ballot shall be counted and returned as We are unalterably opposed to every nessure calculated to debase our curency or impair the credit of our conn-

We are, therefore, opposed to the free soin ge of silver, except by international greement with the leading commercial nations of the world, which we pledge purselves to promote, and until such an greement can be obtained, the existing gold standard must be preserved. All f our silver and paper currency now in pirculation must be maintained at a parity with gold, and we favor all measares designed to maintain inviolable the obligations of the United States and all our money, whether coin or paper, at the present standard-the standard of the most enlightened nations of the earth.

AS TO PENSIONS.

The veterans of the Union armies deserve and should receive feir treatment and generous recognition. Whenever practicable they should be given preference in the matter of employment and they are entitled to the enactment of them in the dark days of the country's peril. We denounce the practice in the justly carried on by the present adminis- gently enacted. tration, of reducing pensions and arbitrarily dropping names from the role as deserving the severest condemnation of

the American people. OUR FOREIGN POLICY. Our foreign policy should be at all foreign demand and price; it diffuses times firm, vigorous and dignified, and general thrift, and founds the strength all our interests in the western bemisimpartial, equally opposed to foreign ed by the United States, and no foreign favor the admision of women to wider control and domestic monopoly; to sec - power should be permitted to interfere spheres of usefulness and welcome their tional discrimination and individual with them; the Nicaragua canal should co-operation in rescuing the courty from favoritism.
