of gold and silver. The speaker said

that the government ought to pay off its

treasury notes in silver, even thugh gold

might be demanded, forgetting that

should the speaker's plan be followed

the depreciation of silver would occur in

less than a fortnight. Mr. Pierce did

not state that silver under free- coinage

would circulate on its merits just as gold

does now. In this connection he said

that what was wanted was a market for

the world's supply of silver at \$1.29 per

ounce-that value could be legislated into silver, probably into potatoes, hoop-

poles or pumpkins though he did not

say so-forgetting that value could not

be increased in anything at the same

time it was intended to be made cheaper

by that very act. Mr. Pierce had evi-

dently not sounded the subject deep

enough to comprehend that because a

piece of metal was called a dollar, which,

in reality, compared with the standard,

was worth only 53 cents, did not increase

ignoring the fact that "value" and "pur.
