Going East?

IF YOU ARE, DO NOT FORGET

Three Important Points.

FIRST—Go via St. Paul because the lines to that point will afford you the very best service.

SECOND—See that the coupon beyond St. Paul reads via the Wisconsin Central because that line makes close connections with all the trans-continental lines entering the Union Depot there, and its service is first-class in every particular.

THIRD—For information, call on your neighbor and friend—the nearest ticket agent—and ask for a ticket reading via the Wisconsin Central line, or address

Jas. C. Pond, or Geo. S. Bettey, 245 Stark St., Milwaukee, Wis. Portland, Or.

McClure's Magazine

For 1897 SEVEN GREAT SERIALS

A New Life of Grant by HAMILIN GARLAND. The first authoritative and adequate Life of Grant ever published. (Begins in December.)

Burdard Kipling's first American serial, "Captains Courageous." (Begun in November.)

Robert Louis Stevenson's "St. Ives." The only novel of Stevenson's still unpublished. (Kipling in May.)

Charles A. Dana, "Recollections of War Time." Mr. Dana was for three of the most critical years of the Civil War practically a member of Lincoln's Cabinet, and is probably better fitted than any other man living to give an authoritative history of this period from his recollections and correspondence.

Portraits of Great Americans. Many of them unpublished. In connection with this series of portraits it is intended to publish special biographical studies under the general title of MAKERS OF THE UNION from Washington to Lincoln.

Pictures of Palestine. Specially taken under the editor's direction.

Stories of Adventure. A serial by CONAN DOYLE, in which he will use his extraordinary talent for mystery and ingenuity which have, in the "Sherlock Holmes" stories, given him a place beside Poe and Gaboriau.

TEN FAMOUS WRITERS

IAN MACLAREN. All the fiction that he will write during the coming year, with the exception of two contributions to another publication which were engaged from him long ago, will appear in McClure's MAGAZINE.

JOEL CHANDLER FARRIS. A series of new animal stories in the same field as the "Burr Rabbit" and the "Little Mr. Thumbelinger" stories.

RUYDARD KIPLING. Besides "Captains Courageous," Kipling will contribute to McClure's all of the short stories he will write during the coming year.

OCTAVE TRAXET is preparing for the Magazine a series of short stories in which the same characters will appear, although each will be complete in itself.

Anthony Hope Bret Harte Frank R. Stockton Stanley Weyman Robert Barr Clark Russell

These are only a small fraction of the great and important features of McClure's MAGAZINE for 1897, the subscription price of which is only

Two years ago E. J. Warren, a druggist at Pleasant Brook, N. Y., bought a small supply of Chamberlain's Cough Remedy. He sums up the result as follows: "At that time the goods were unknown in this section; to-day Chamberlain's Cough Remedy is a household word." It is the same in hundreds of communities.
