

Scrofula Swelling

On the Neck and Great Weakness Caused by Impure Blood—Was Constantly Growing Worse.

"When my son was 5 years old he was in very poor health and we could get nothing to relieve him. At the age of 7 years he began to complain of soreness on both sides of his neck and soon lumps began to gather on one side and grew to half the size of an egg. We then became more uneasy and began to doctor him for scrofula. He gradually grew worse, however, until at the age of twelve years we had lost all hope of his recovery. He became so weak he could sit up but a few minutes at a time. My wife saw Hood's Sarsaparilla recommended as a great blood purifier and we sent for a bottle. We began giving our boy the medicine according to directions and it was not long before we saw he was improving. He continued taking it until he was in very good health. He is now 19 years old and is well. We recommend Hood's Sarsaparilla for all troubles caused by impure blood." S. M. SILVER, Grouse, Oregon. Hood's Sarsaparilla is sold by all druggists. Six for \$5. Get only Hood's.

Say Bennett dead.
Say Bennett, a well known sporting man, died Friday night at The Dalles of dropsy. Say was well known and had friends all the way from his old home in Illinois to the Pacific coast. He was a man that respected his word; was honorable, kind-hearted and charitable. Poverty in his last days may have prevented him from meeting obligations, but he was never dishonest. He was his own worst enemy. But his faults were few, compared to his virtues. The editor of the Gazette was one of Say's friends and knows that thousands have lived off of his bounty. His final resting place will not be neglected.
He leaves an aged mother in the east and two brothers, John and Harry, residents of this coast.
