

Oh, How Thankful

Pain Was Maddening and Hope Had Been Abandoned—Wonderful Results of Purifying the Blood.

"A very severe pain came in my left knee, which grew worse and worse, and finally a sore broke out above the knee. It discharged a great deal and the pain from my thigh down was maddening. Large, hard, purple spots appeared on my leg. I suffered in this way for years, and gave up all hope of ever being cured. My wife was reading of a case like mine cured by Hood's Sarsaparilla, and she advised me to try it. I began taking it and when I had used a few bottles I found relief from my suffering. Oh, how thankful I am for this relief! I am stronger than I have ever been in my life. I am in the best of health, have a good appetite and am a new man altogether." J. P. MOORE, Lisbon Falls, Maine.

PLAYFUL FRANKS.

Youthful Incidents of Heppner Enjoy Halloween in the Old Style.
Weary pedestrians returning homeward Saturday night were surprised to find things where they ought not to be on the streets and elsewhere, while more than one gate was missing Sunday morning was occupied by a good many Heppnerites in restoring order out of chaos. The flag pole on the First National bank corner was also observed to have at its top a figure which, at a glance, looked not unlike our erstwhile prunter, Sammy Teed. It is supposed that this was intended as a "dig" at Marshal Hager, but for what purpose the Gazette cannot say. Most people were at a loss to know what all this was for, but on looking up their almshouses, the occasion proved to be Halloween, or as near it as one could get at it without observing it on Sunday.
Hallow-even, or Halloween, is the name popularly given to the eve or vigil of All Hallowes, or festival of All Saints, which being the 1st of Nov., Halloween is the evening of the 31st of Oct. In England it was long customary to crack nuts, duck for apples in a tub of water, and perform other harmless fireside revelries. While the same thing may be said of Scotland, the Halloween ceremonies of that country partook more of a superstitious character, taking, among rustic folk, the form of a charm to discover who should be his or her partner for life. Of these now almost exploded customs, the best summary is that contained in Burns' well-known poem "Halloween." We refer to Brand's Popular Antiquities for some notice of Hallow-even practices.
Will Move to Portland.
Conductor Wm. Dunn has decided to leave the Heppner branch and accept a freight run between The Dalles and Portland, making the latter place his headquarters. Mr. Dunn and family have lived in Heppner several years and during their sojourn here have won an enviable place in the hearts of Heppner people, and they will be sadly missed. Mr. Dunn has held the position of conductor on the Heppner branch much longer than any of his predecessors, and now leaves it entirely at his own suggestion, as the night work was exceedingly wearing on him. In his capacity as conductor he has always been pleasant and obliging, yet ever solicitous concerning the welfare of his employes. It goes without saying that Mr. Dunn and family have the best wishes of all for continued success, in their new location. They leave for Portland this week.
Conser & Brook have a display of quartz that "takes the cake."
Frank Farnsworth is rapidly recovering from an attack of fever.

Chas. Jones writes down from Juneau that he is doing well at his trade. He will leave for Klondike late this winter.
Mrs. Chas. Jones has returned from Hamilton's mill, where she has been for several weeks, and will spend the winter in Heppner.

Dr. W. A. Roberts, of Portland, a rising young dentist, is in Heppner, having arrived Sunday last and has decided to locate here about Dec. 1st.
The managers of the Hotel Heppner are adding an addition to their hotel building. When completed it will materially increase the number of rooms.
Dr. Matthews was called out to Eight Mile last week to attend Jas. Knights, who was badly hurt by a cayuse stepping into a badger hole, falling with him.
Word has come from Jack Lake at Sacramento where he went to look after a position. His hitherto unexplained absence caused considerable uneasiness.
J. H. Richardson, manager of the Hotel Heppner, is crippled to some extent by having stepped on a nail one day last week. He is able to be around, however.
Mr. Andrew M. Peterson, of Gooseberry, desires the Gazette to thank all who assisted in the building of the Swedish Lutheran church at Gooseberry and which was dedicated on the 24th ult.
Something to Depend on.
Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and seeing lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Conser & Brook's Drug Store.

DO YOU SUFFER?

WHAT A PHYSICIAN HAS TO SAY ABOUT THIS SEASON.
AUTHORITIES SAY RHEUMATISM IS UNUSUALLY DANGEROUS.
Significance of Its Alarming Increase During This Fall.
There has been so much discussion recently about the alarming increase of rheumatism in this section, that a Gazette man was instructed to investigate.
A member of the board of health said: "Do not quote me as saying that rheumatism is necessarily a mortal disease. It isn't. But there are often times when it leads to heart complication or disturbance of the brain, and results in death. And, whether dangerous or not, the suffering is always intense. Anxiety and care, mental shock, and injuries lead to rheumatism, but the prevalence of this disease at this time in Heppner and vicinity is undoubtedly owing to the damp, cold weather of the fall months."
The usual treatment of rheumatism is uncertain, inefficient, and disappointing, as is acknowledged by many physicians. Henry C. Robe, who resides at No. 1 Sycamore St., Buffalo, and who is a prominent G. A. R. man, recently created considerable stir by going before Jas. W. Chatman, a notary public, and swearing to the truth of the following statement:
"Early last fall, I had a severe attack of rheumatism, accompanied with great weakness, exhaustion, and indigestion. I was incapable of anything like work, but my health was fully restored by the use of that vegetable medicine, Paine's Celery Compound. It has brought joy to our household, and the physician who discovered it may truly be called the Good Samaritan."
Inquiry among our druggists shows that this compound has been used by quite a number in Heppner, and no case of rheumatism or neuralgia has failed to yield to its curative powers.
Arrested for Seduction.
Near midnight last night, Sheriff Matlock arrested Olyde Sperry on a charge of seduction, preferred by Miss Ida Ritchie, of Lone. The girl is in a delicate condition, all this being charged upon Sperry. He was immediately released on a \$250 bond. R. C. Wills and Milt Powell becoming his sureties. His examination will come off tomorrow before Judge Richardson, of this place.
The young man who gave the "projections" exhibition here last week forgot to settle their "power" bill with Ike Ennis before leaving town. A constable called upon the gentlemen at Lone, but they would do nothing as there was no warrant in the hands of the officer. They proceeded on their way to Arlington where they will doubtless be called upon to pay. Their show is a good one and they cannot afford to do business in this manner for the purpose of evading the payment of the small sum of \$10.

Mr. Homer Hallock and wife, of Pendleton, have been called over by the serious illness of Mr. Hallock's mother, at the home of her daughter, Mrs. W. P. Dutton, below town. Mr. Hallock is a well-known newspaper man and conducted the Heppner Times during its lifetime. He is at present editor and manager of the Pendleton Tribune.
Regarded as a Duty.
"I lost my appetite and became weak. At last I was taken very sick. My attention was called to Hood's Sarsaparilla and I took a bottle and it made me feel better. I have taken five bottles and am now well. I feel it my duty to tell what Hood's Sarsaparilla has done." Mrs. A. Everson, Wedderburn, Oregon.
Hood's Pills are the favorite family cathartic. Easy to take, easy to operate. 25 cents.
Notice to Sheepmen.
Don't overlook those fine Cunningham bucks at Thompson & Binns' stable. Inquire of W. C. Brown, at Palace hotel, or Ed. Bishop.
Some fellow, that has no fear in his soul of the hereafter, stole M. D. Hayman's shoes out of the Palace hotel office, while the old man was taking a little nap at an early hour yesterday morning. Hayman has a very poor opinion of the culprit.
To heal the broken and diseased tissue, to soothe the irritated surface, to instantly relieve and to permanently cure is the mission of DeWitt's Witch Hazel Salve. For Sale by Conser & Brook.

The Gazette has the most obliging female in the Heppner hills. Though encumbered with a family of six, she has adopted two more wails and seems content to take all that she can get.
Henry and Otis Welch are under arrest at Monument charged with butchering beef cattle not their own. Their examinations will come off tomorrow. The Gazette knows nothing as to the truth of the charges.
Frank McFarland has been appointed special agent of The Equitable Life Assurance Co., of New York, the strongest in the world. Cash surplus to policy holders of over 43 million dollars. Don't take insurance without seeing the new plans of the Equitable. Insures both sexes at same rates.
