he had not met the general yet, and being asked what general he referred to, replied, "General Prosperity." The other day, at the conclusion of one of his addresses, an old farmer went up to him, shook him by the hand, and asked, "Have you seen the General?"

And the boy orator's bland smile was conspicuous by its absence for braska exchange.

THE practical workings of woman suffrage in Ohio does not come up to the standard which its advocates claimed would follow its adoption. Woman's suffrage in local elections has been tried in that state for two years. In the first year, 1895, 5831 woman voters registered istered, and in the spring of 1897 but 408 and for the late November election only 82. The women of Cleveland, at least, care little for
