Schilling's Best baking powder and tea are
because they are money-back.

What is the missing word?—not SAFE, although Schilling's Best baking
powder and tea are safe.

Get Schilling's Best baking powder or tea at your grocers; take out the
ticket (brown ticket in every package of baking powder; yellow ticket in the
tea); send a ticket with each word to address below before December 31st.

Until October 15th two words allowed for every ticket; after that only one
word for every ticket.

If only one person finds the word, that person gets \$2000.00; if several find
it, \$2000.00 will be equally divided among them.

Every one sending a brown or yellow ticket will receive a set of cardboard
creeping babies at the end of the contest. Those sending three or more in one
envelope will receive an 1898 pocket calendar—no advertising on it. These
creeping babies and pocket calendars will be different from the ones offered in
the last contest.

Better cut these rules out.

Deafness Cannot be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the eusta-
chian tube. When this tube gets inflamed
you have a running ear or imperfect hear-
ing, and when it is entirely closed deafness
is the result, and unless the inflammation
can be taken out and this tube restored to
its normal condition, hearing will be de-
stroyed forever; nine cases out of ten are
caused by catarrh, which is nothing but an
inflamed condition of the mucous sur-
face.

We will give One Hundred Dollars
for any case of deafness (caused by
catarrh) that cannot be cured by Hall's
Catarrh Cure. Send for circulars free.

firm of Johnson Bros. of that place; and
they handle a great many patent medi-
cines for throat and lung diseases. He
had all these to choose from, and skilled
physicians ready to respond to his call,
but selected this remedy for use
