If any one tells you that a baking powder regularly sold at 25 cents or 30 cents a pound is pure and good, he doesn't know what he is talking about.

It cannot be made at that price. You must pay more. Of the right-price baking powder, Schilling's Best is the best. There are, however, others nearly as good; they do two-thirds the work.

Schilling's Best baking powder and tea are because they are money-back.

What is the missing word?—not SAFE, although Schilling's Best baking powder and tea are safe.

Get Schilling's Best baking powder or tea at your grocers'; take out the ticket (brown ticket in every package of baking powder; yellow ticket in the tea); send a ticket with each word to address below December 31st.

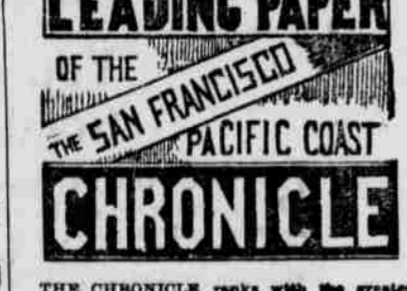

Until October 15th two words allowed for every ticket; after that only one word for every ticket.

If only one person finds the word, that person gets \$2000.00; if several find it, \$2000.00 will be equally divided among them.

Every one sending a brown or yellow ticket will receive a set of cardboard creeping babies at the end of the contest. Those sending three or more in one envelope will receive an 1898 pocket calendar—no advertising on it. These creeping babies and pocket calendars will be different from the ones offered in the last contest.

Better cut these rules out.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c.

The Fair.

The ladies Guild of the Episcopal church gave their fair on Tuesday evening at the opera house. It was very largely attended and was a great success financially and otherwise. The ladies had prepared many useful and ornamental articles which they offered for sale, and there were numerous other attractions, not the least of which was an elegant supper which added much to the attractiveness of the occasion. The gross receipts amounted to \$140, which will leave the ladies, after expenses are paid, between \$80 and \$90 to deposit in their treasury.

The three-year-old son of J. A. Johnson, of Lyon Center, Ill., is subject to attacks of cramp. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros. of that place; and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of cramp. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Conser & Brock.

They Got Four Deer.

Ike Ennis and Art Minor, two of Heppner's professional sportsmen, hid themselves away Saturday afternoon to the head waters of Ditch creek in quest of big game. The boys were quite successful on this trip, and they secured the highest number of points, putting to his credit three deer, while Art secured one, making in all four for their sport. They returned Tuesday morning feeling pretty good over their trip, which was indeed a fortunate one from a hunter's standpoint.

Mr. E. B. Stanton has just returned from the valley where he had been visiting his son, Harlan, and Mr. Allison's family.

Miss Daisy Nickelson is now at the home of her parents on Eight Mile. She has been visiting with her sister at Omaha, Neb.

When the railroad comes from Petteys grove to Rhea creek bridge and the new town is laid out, what shall its name be? It will be a great help to this part of the country to have a railroad station there.

Warren Aeshbaugh thought he did well to raise 1600 pounds of potatoes off of one-fourth acre of ground, but since he read Rev. Galloway's report he has nothing to say. Warren had a new variety called the "ministers'."

Mr. A. Ashbaugh experimented with the "mortgage lifter" oats. He purchased a package containing about a pint, and although the grasshoppers ate out the stalks badly, he harvested nearly a half bushel. The stalks were five feet high. He thinks it quite a success.

A letter from Ida Downing, a granddaughter of A. Ashbaugh, who is living with her parents at Blue Jacket, Indian Ter., tells of Chief Blue Jacket's funeral. Although a tall-blooded Indian he spoke the English language perfectly, was a preacher and was 80 years old. He selected his burying ground on the farm where he lived. He was a Mason. Masons came from Kansas and attended his funeral which was very large. He had 23 children and they were all there when he died.

E. M. C. EIGHT MILE, Nov. 16, 1897.

How to Cure Bilious Colic.

I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people. Mrs. F. Butler, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by Conser & Brock.

IONE ITEMS.

The new race track is completed. Mrs. Alice Keller is on the sick list. Willard Blake will move to Ione and build a new house.

Ione carried off the laurels at the race which occurred a few days ago.

Rube Sperry returned from Heppner where he attended another race.

Ed Moore has invested in a lot and will build a neat residence thereon.

The saddler shop has changed hands. Chas. Martin now being the proprietor.

Budd Haney opened up a new butcher shop receiving his supply of meat from Heppner.

Rainy and stormy weather, the last two weeks, has hindered seeding to some extent.

E. J. Keller spent several days at Heppner attending the Morrow county S. S. convention.

The building of Walker's hardware store is being repaired and when finished will be quite an improvement.

The Christian Endeavor meetings on Sunday evenings are largely attended both by the country and town people.

Joe Woolery is now comfortably and pleasantly located in his new store and will attend to his customers as promptly as ever.

Sunday evening witnessed one of the most disgraceful doings that ever occurred at Ione. While no small number were walking through the streets on their way to church, several persons near the saloon were cursing one another and using a most shameful and vulgar language, in a voice which could be heard several blocks away, and made it unfit for any lady to pass through the streets. Respectable people will not stand this long.

Since the boom Ione has increased its population five fold and with it came all kinds of society. A few days ago while R. C. Sperry and family were away their house was broken into and ransacked for valuables. The locks of two trunks were broken and contents examined, but contained nothing of much value and the burglars left empty handed. Such doings will continue until the guilty ones will some day take lodgings in the "pen." Ione is in need of a good officer of the law.

A CITIZEN Nov. 15, 1897.

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. B. Norton, of Satter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The remedy cured me, and I want all of my friends who troubled with a cough or cold to use it, for it will do them good." Sold by Conser & Brock.

Frank Engelmann and Chilton C. Wilson, both of Ione, made final proof before Clerk Morrow Wednesday last, M. J. Williams appearing as their witness.

Small precautions often prevent great mischief. DeWitt's Little Early Risers are very small pills in size, but are most effective in preventing the most serious forms of liver trouble and stomach troubles. They cure constipation and headache and regulate the bowels. For sale by Conser & Brock.
