### THE WONDERS OF SCIENCE

LUNG TROUBLES AND CONSUMPTION CAN BE CURED.

An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.

The distinguished chemist, T. A. Slocum, of New York City, demonstrating his discovery of a reliable cure for Consumption (Pulmonary Tuberculosis), bronchial, lung and chest troubles, stubborn coughs, asthmal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of this paper writing for them.

His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure.

Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to humanity as can be claimed by any modern genius. His assertion that lung troubles and consumption are curable in any climate is proven by "heartfelt letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.

The dread Consumption, uninterupted, means speedy and certain death. Simply write to T. A. Slocum, M. O., 88 Pine Street, New York, giving post-office and express address, and the free medicine will be promptly sent direct from his laboratory.

Sufferers should take instant advantage of his generous proposition.

Please tell the Doctor that you saw this in the Gazette, published at Heppner, Oregon. July 9-7-1 yr.

### How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction.—Olisah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventative of pneumonia. Among the many thousands who have used it for colds and influenza, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Conser & Brock.

### Depending on Circumstances.

The Elgin Recorder, and a splendid paper too, sells at its masthead it gives the news up to the very moment of going to press. That is complimentary to the Recorder and is of benefit to its readers, the degree of value depending altogether on the time it takes to do the presswork. Now on last Friday the Gazette should have been just two hours in printing both sides of its "porous plaster," but an unfortunate accident rendered the machinery worse than useless for quite a period, and the whole afternoon was absorbed in a not over-pleasing task.

### Two Millions a Year.

When people buy, try, and buy again, it means they're satisfied. The people of the United States are now buying Cascares Candy Cathartic at the rate of two million boxes a year and it will be three million before New Year's. It means merit proved, that Cascares are the most delightful bowel regulator for everybody the year round. All druggists 10c, 25c, 50c a box, cure guaranteed.

Heavy rains and strong winds are noticeable features of the winter thus far. Yesterday the wind blew a gale from the Southwest, and Sunday night one of the heaviest rains of the season visited this locality.

Mrs. Stark, Pleasant Ridge, O., says: "After two doctors gave up my boy to die, I saved him from eroup by using One Minute Cough Cure." It is the quickest and most certain remedy for coughs, colds and all throat and lung troubles. Conser & Brock.

Those who desire to build should not forget that C. E. Ranon, the contractor, is ready to make estimates at any time. 6911
