

FROM FOOT TO KNEE

Ohio Woman Suffered Great Agony From a Terrible Sore—Her Story of the Case, and Her Cure.

"For many years I was afflicted with a milk leg, and a few years ago it broke out in a sore and spread from my foot to my knee. I suffered great agony. It would burn and itch all the time and discharge a great deal. My health was good with the exception of this sore. I tried a great many kinds of salve, but some would irritate the sore so that I could hardly stand the pain. I could not go near the fire without suffering intensely. Someone sent me papers containing testimonials of cures by Hood's Sarsaparilla, and I told my husband I would like to try this medicine. He got me a bottle and I found it helped me. I kept on taking it until my limb was completely healed. I cannot praise Hood's Sarsaparilla enough for the great benefit it has been to me. It cleanses the blood of all impurities and leaves it rich and pure." MRS. ANNA E. BAKER, Whitesboro, Ohio.

You can buy Hood's Sarsaparilla of all druggists. Be sure to get only Hood's.

Hood's Pills are the favorite family cathartic. Price 25c.

Elias Friend, while in Heppner Wednesday, showed a representative of the Gazette some Greenhorn quartz which assays 3 1/2 oz. of gold and 90 oz. of silver, and 3 oz. of gold and 100 oz. of silver to the ton, respectively. He has a ledge of this 2 1/2 feet wide which he calls the "Butterfly." Extensive preparations are being made for a big crop next year, if acreage counts for anything. Mose Ashbaugh informed a reporter of this paper that he and a partner had just completed sowing 700 acres of wheat. This seems to be the spirit of the farmers all over the county.

The Surprise of All.

Mr. James Jones of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with la grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into husky consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it. Free trial bottles at Conser & Brock's drug store.

Free From Rheumatism.

If the people generally knew the true cause of Rheumatism, there would be no such thing as liniments and lotions for this painful and disabling disease. The fact is, Rheumatism is a disordered state of the blood—it can be reached, therefore, only through the blood. But all blood remedies cannot cure Rheumatism, for it is an obstinate disease, one which requires a real blood remedy—something more than a mere tonic. Swift's Specific is the only real blood remedy and promptly goes to the very bottom of even the most obstinate case. Like all other blood diseases, the doctors are totally unable to cure Rheumatism. In fact, the only remedies which they prescribe are potash and mercury, and though temporary relief may result, these remedies produce a stiffness of joints and only intensify the disease. Those who have had experience with Rheumatism know that it becomes more severe each year.

The case of Mrs. James Kell, of 611 Ninth Street, S. E., Washington, D. C., should convince everyone that it is useless to expect doctors to cure Rheumatism. Under recent date she writes: "A few months ago I had an attack of Sciatic Rheumatism in its worst form. The pain was so intense that my nervous system was prostrated, and I was for a long time perfectly helpless. The attack was an unusually severe one, and my condition was regarded as being very dangerous. "I was attended by one of the most able doctors of Washington City, who is also a member of the faculty of the leading college here. He told me to continue his prescription and I would get well. After having it refilled twelve times and receiving not the least benefit, I declined to take it longer. "Having heard of S.S.S. (Swift's Specific) recommended for Rheumatism, I decided, almost in despair, to give it a trial. After taking a few bottles I was able to hobble around on crutches, and very soon had no need at all for them, for S.S.S. cured me sound and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health. "S.S.S. never disappoints, for it is made to cure these deep-rooted diseases which are beyond the reach of all other remedies. It cures permanently Rheumatism, Catarrh, Cancer, Scrofula, Eczema, and all other blood diseases. It is the only blood remedy guaranteed.
