## Can't be done!

Try to make some baking powder yourself. Buy  
the cream of tartar and soda, mix them in the right  
proportions.

Then imagine that you are the manufacturer, and  
have to make a profit, and besides, sell it to the grocer  
at such a price that he can make a profit too.

Ask your grocer to sell you his best cream of tar-  
tar, see what it costs, and see if you can make pure  
good baking powder for 25 or 30 cents a pound.

It can't be done.

*Schilling's Best*—at your grocer's—is the best of  
the right-price baking powders.

**Death of Gov. Lord's Father.**

Edward Lord, of Camden, Kent coun-  
ty, Delaware, the father of Governor W.  
P. Lord, of this state, died on Friday  
of last week, of infirmities incident to his  
extreme age, he being one of the oldest  
citizens of that commonwealth. The  
Governor received the sad intelligence  
Friday, but will not undertake to go  
East on account of it, owing to a pres-  
sure of matters here and the time in-  
volved in such a journey. Edward Lord  
leaves a widow, Mrs. Elizabeth Lord  
aged 82 years, five sons and two daugh-  
ters. He was a highly respected citizen  
of his state and leaves a moderate com-  
pensation.

The intense itching and smarting, in-  
cident to these diseases, is instantly allayed  
by applying Chamberlain's Eye and  
Skin Ointment. Many very bad cases

is equally efficient for itching piles and  
a favorite remedy for sore nipples,  
chapped hands, chilblains, frost bites  
and chronic sore eyes. 25 cts. per box.

**AN OREGON GIRL.**

December's Masque contains a good  
portrait of Miss Mand Hoffman, the  
Oregon actress, who has gained national  
renew as leading lady in Mr. Willard's  
great assembly of talent. Miss Huff-  
man is a Corvallis girl, a perfect lady  
and a living denial of the oft repeated  
wholesale imputations against the char-  
acter of those who follow the stage.  
Willard will soon put Hall Cain's  
"Christian" on the boards with Miss  
Huffman as "Glory." It is to be hoped  
that Oregon will be permitted to receive  
the treat afforded by this contemplated play.

**Beauty is Blood Deep.**

sicians for the cure of eczema. He was

for piles and skin diseases. Conser &

**MORROW COUNTY BOY.**

One of the Greatest Football Players on the  
Coast.

In a late issue of the Corvallis Gazette  
appears a little poem, written by a  
Philomath college correspondent, con-  
cerning a Morrow county boy, the oldest  
son of Mr. and Mrs. W. B. McAlister, of  
Lexington. He is one of the best foot-  
ball players on the coast, and could go  
to the Corvallis institution as he lived,  
even if he had a cent. Mr. McAlister  
is a good student, however, as well as an  
athlete. The boys, his friends, call him  
"Pappy Hayseed," or "Pap" McAlister,  
and the little effusion goes like this:

Hurray! for Pappy Hayseed,  
He knows where he "is at."  
The chap who said he'd beat him,  
Was conversing through his hat.  
Shake, shake, old Pappy Hayseed,  
The man with ribs of steel  
And whalebone constitution,  
Give us a grip we feel.

How to Prevent Pneumonia.

At this time of the year a cold is very  
easily contracted, and if left to run its  
course without the aid of some reliable  
cough medicine is liable to result in that  
dread disease, pneumonia. We know of  
no better remedy to cure a cough or cold  
than Chamberlain's Cough Remedy. We  
have used it quite extensively and it  
has always given entire satisfaction.—  
Olagah, Ind. Ter. Chief.

This is the only remedy that is known  
to be a certain preventative of pneu-  
monia. Among the many thousands  
who have used it for colds and grippe,  
we have never yet learned of a single  
case having resulted in pneumonia.  
Persons who have weak lungs or have  
reason to fear an attack of pneumonia,  
should keep the remedy at hand. The  
25 and 50 cent sizes for sale by Conser  
& Brock.

Our Telephone Line.

The Ennes will go over the Heppner-  
Canyon Telephone Co.'s line before  
leaving for Hillsboro and will put in  
Bell instruments, in accordance with an  
agreement with the Inland Telephone  
Co., and will otherwise repair the line.  
It has been reported that this interior  
line was poorly erected, but it is a  
fact that it works as well as the Inland  
line, and is rarely ever out of order. The  
interior country can give Heppner full  
credit for placing them in a position to  
communicate with Heppner and the  
outer world in the best manner known  
to the civilized world.

United States are now buying Cascares  
Candy Cathartic at the rate of two million  
boxes a year and it will be three million be-  
fore New Year's. It means merit proved,  
that Cascares are the most delightful bowel  
regulator for everybody the year round. All

The Dalles Chronicle: F. S. Gunnig,  
secretary of section 1857, Endowment  
Bank, K. of P., this morning received a  
check for \$2,000 in favor of Mrs. Carrie  
Johnson, widow of Oas. W. Johnson,  
who was killed on the O. R. & N. in  
November last. Section 1857 has been in  
existence for about four years, and this  
is the first death amongst the The  
Dalles knights since that section has  
been introduced.

Mrs. Stark, Pleasant Ridge, O., says:  
"After two doctors gave up my boy to  
die, I saved him from croup by using  
One Minute Cough Cure." It is the  
quickest and most certain remedy for  
coughs, colds and all throat and lung  
troubles. Conser & Brock.

**FOR YOU!**

Now Prepared to do Any  
Kind of Printing—Don't  
Send Your Orders Away  
Till You Get the Gazette's  
Estimates

Heretofore the Gazette's job depart-  
ment has tried to do no work other than  
plain printing. However, this shop is  
now prepared to tackle anything in any  
line and will meet prices of any person  
under the sun in the line of druggists,  
supplies, blank books, bank work  
country work, or any sort of book bind-  
ing—work that you have heretofore sent  
away to get done.

The Gazette shop is not a charity  
concern but if you will give us a chance  
we will see that you are satisfied in  
every particular.

Buy your goods at home. Remember  
that Abe Lincoln said that when one  
bought goods away from home the  
foreigner got the money and we got the  
goods. But when the goods were  
bought at home we had both money  
and goods. This is good doctrine. We  
are willing to abide by it. When the  
printing drummer comes to town, re-  
member it and call up phone No. 3.
