\$20.00

Brown ticket in every package of **Schilling's Best** baking powder.

Yellow ticket in every package of **Schilling's Best** tea.

Schilling's Best baking powder and tea are
because they are money-back.

What is the missing word?—not SAFE, although **Schilling's Best** baking powder and tea are safe.

Get **Schilling's Best** baking powder or tea at your grocers; take out the ticket (brown ticket in every package of baking powder; yellow ticket in the tea); send a ticket with each word to address below December 31st.

Until October 15th two words allowed for every ticket; after that only one word for every ticket.

If only one person finds the word, that person gets \$200.00; if several find it, \$200.00 will be equally divided among them.

Every one sending a brown or yellow ticket will receive a set of cardboard creeping babies at the end of the contest. Those sending three or more in one envelope will receive a 1928 pocket calendar—no advertising on it. These creeping babies and pocket calendars will be different from the ones offered in the last contest.

Better cut these rules out.

THE WONDERS OF SCIENCE
LUNG TROUBLES AND CONSUMPTION CAN BE CURED.
An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.
The distinguished chemist, T. A. Sloum, of New York City, demonstrating his discovery of a reliable cure for Consumption (Pulmonary Tuberculosis), bronchial, lung and chest troubles, stubborn coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discovery to every afflicted reader of this paper writing for them.
His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure.
Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to humanity as can be claimed by any modern genius. His assertion that lung troubles and consumption are curable in any climate is proven by "heartfelt letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.
The dread Consumption, uninterrupted, means speedy and certain death. Simply write to T. A. Sloum, M. C., 98 Pine street, New York, giving post-office and express address, and the free medicine will be promptly sent direct from his laboratory.
Sufferers should take instant advantage of his generous proposition.
Please tell the Doctor that you saw this in the Gazette, published at Heppner, Oregon. July 9-7-1 yr.

Some Presumption.
Several Willamette valley and Southern Oregon newspapers, says the East Oregonian, in reporting the result of the late city election in Pendleton say: "Dr. C. J. Brown, free silver candidate for mayor, was elected by 181 majority out of a total of 809 votes over H. J. Bean." For their benefit it is probably well to state that the gentleman elected was Dr. C. J. Smith and the gentleman defeated was Mr. J. E. Bean, and that the silver question did not enter into the election at all, only so far as a few partisans attempted to influence "sound money people" who, as well as the free silver advocates, largely supported Dr. Smith on local issues.

Lee Kilbourne was in town on last Friday and Saturday and confirms the report of an attempt having been made to poison him. Instead of doing its mission it killed two dogs. Tetter, Salt-Rheum and Eczema.
The intense itching and smarting, incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chafed skin, frost bites and chronic sore eyes. 25c per box.

The editor of one of our exchanges encourages his delinquent subscribers to use less tobacco and not drink so much whiskey until they pay up what they owe him, and adds that they should lose no time in doing so, as the hog cholera is liable to strike that section at any time. FOR YOU!
Now Prepared to do Any Kind of Printing—Don't Send Your Orders Away 'Till You Get the Gazette's Estimates
Heretofore the Gazette's job department has tried to do no work other than plain printing. However, this shop is now prepared to tackle anything in any line and will meet prices of any person under the sun in the line of druggists' supplies, blank books, bank work county work, or any sort of book binding—work that you have heretofore sent away to get done.
The Gazette shop is not a charity concern but if you will give us a chance we will see that you are satisfied in every particular.
Buy your goods at home. Remember that Abe Lincoln said that when one bought goods away from home the foreigner got the money and we got the goods. But when the goods were bought at home we had both money and goods. This is good doctrine. We are willing to abide by it.
