

MR. CORBETT DOOMED.

Speaking of the Oregon senatorial situation, the Statesman has never believed that Mr. Corbett would receive the seat to which he was appointed, says our excellent Salem exchange.

A FEW good healthy backbiters make a man know that he is living. All have enemies; newspaper men are angels if they don't have them by the score.

THE November earnings of 104 railroads whose reports have been presented are more than twenty per cent. in excess of their November earnings last year.

THE appointments of Hon. B. K. Bruce and J. N. Leger to the offices, respectively, of register of the treasury and minister to Hayti, have given general satisfaction.

PORTLAND is said to have in prospect another first class daily paper. That's all right, but why not make the Tribune a better paper, then with two in the field perhaps the Tribune can live.

REV. H. L. BARKLEY, the Marion county silver champion, will in all probability be the nominee for congress on the union party ticket in the coming campaign.

THE interstate commerce commission reports that it has been robbed of its power by interference of the courts, and that though many reforms are necessary, it feels loath to commence them and get turned down.

IF this isn't the short, business session of congress that it ought to be, the republican leaders of the house are fully determined that no blame shall be laid at their doors.

CHAIRMAN DINGLEY'S emphatic statement in the house about the prospective revenues and expenditures of the government, disposed of the whole batch of misrepresentations as to republicans seriously considering legislation to furnish additional revenue.

PORTLAND ought to have a drydock. She is now agitating that subject.

Drop into the push and help build up your section. Be brave; troubles come but let us meet them. In time tomorrow will be in the lead.

THE Gazette hears talk of another paper for Heppner. What's the matter with those that are already here?

A NEW Year's Gift Heralded. The senseless popularity of Hostetter's Stomach Bitters has been the growth of more than a third of a century.

When your stomach begins to trouble you, it needs help. The help it needs, is to digest your food, and until it gets it, you won't have any peace.

THE Gazette doesn't retract this time. The Whole Truth Not Told. The Gazette recently made a statement in reference to the condition of the family of E. B. Nye, and at the same time commented on the general worthlessness of the husband and father.

Consumption Positively Cured. Mr. R. B. Greeve, merchant of Chatham, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief.

Fossil Journal: A sort of colored person giving the name of Thomas Henderson, who claims to be an Australian, was arrested at Arlington last Saturday by Marshal Carlisle for selling whiskey to Indians, and taken before U. S. Commissioner Gurley, who bound him over to appear in the U. S. court in Portland.

A SURE Thing for You. A transaction in which you cannot lose is one in which you cannot lose. It is the only one of the kind.

T. M.: United States Attorney John H. Hall, of Portland, accompanied by Judge Merrill and Major Neer, of the U. S. civil engineering corps, were in the city this morning and left by private conveyance for the Sufletta annex above the city.

Dr. John W. Rasmus, of the "Red Light," ever on the alert for something new, can furnish you the finest cockles in the land—Manchester, Jersey, Vermont (the one made by an artist in the business). Drop in and take the taste out of your mouth.

SCOTT'S EMULSION has proved its effectiveness in curing the trying affections of the throat and lungs, and this is the reason why: the cod-liver oil, partially digested, strengthens and vitalizes the whole system; the hypophosphites act as a tonic to the mind and nerves, and the glycerine soothes and heals the irritation.

consideration, and he asked Senator Hoar, as a member of the committee on foreign relations, to present it. Every day senators present petitions with which they have no sympathy, and nothing is said about it, but in this case the paid lobbyists lied in order to impress their employers with the idea that they were earning their pay.

A Splendid Project. Mr. Holiday, who is largely interested in the sheepshearing machine for which Mr. D. A. Horren is agent, will be here in February and will likely organize a company in this vicinity for the purpose of putting in a plant. It is a great success, giving the fibre in better condition, yet giving employment to the sheers at the same old prices.

Mr. Holiday is a nephew of "old Ben Holiday" who put on the first overland stage between St. Joe, Mo., and San Francisco. He was also the father of the pony express route. Show the writer the man who, as a boy, had experience with Ben's overland enterprises and didn't grow to admire the man, and we will point out a human oddity.

Fossil Journal: Mr. Frank Shurtle and Miss Effie From were married at Arlington last Sunday. The bride is one of Arlington's best esteemed young ladies, and the groom is known all over the country as one of the leading citizens of that burg. We wish them much joy and prosperity.
