\$2000

says "It is worth a great deal to us to have
you try *Schilling's Best* baking powder
and tea."

Money-back says "We have a great
deal of confidence in your good faith and
in *Schilling's Best* baking powder and tea."

Schilling's Best baking powder and tea are
because they are money-back.

What is the missing word?—not SAFE, although *Schilling's Best* baking
powder and tea are safe.

Get *Schilling's Best* baking powder or tea at your grocers; take out the
ticket (brown ticket in every package of baking powder; yellow ticket in the
tea); send a ticket with each word to address below before December 31st.

Until October 15th two words allowed for every ticket; after that only one
word for every ticket.

If only one person finds the word, that person gets \$2000.00; if several find it,
\$2000.00 will be equally divided among them.

Every one sending a brown or yellow ticket will receive a set of cardboard
creeping babies at the end of the contest. Those sending three or more in one
envelope will receive a 1908 pocket calendar—no advertising on it. These
creeping babies and pocket calendars will be different from the ones offered in
the last contest.

Better cut these rules out.
