

Poor and Weak

Catarrh and Bronchial Trouble—
Had no Appetite—Now Better in
Every Way—A Delicate Child.
 "Some time since I took a sudden cold and could not get rid of it. Being subject to catarrh and bronchial trouble I coughed terribly. I lost my appetite and grew poor and weak and I did not feel like work. I began taking Hood's Sarsaparilla. In a short time the cough disappeared, I slept well, had a good appetite and I was better in every way. Last spring I was not feeling well, I had no appetite and no strength. I resorted to Hood's Sarsaparilla and soon felt more like work. My little nephew was a delicate child and had a humor which troubled him so he could not rest at night. He has taken a few bottles of Hood's Sarsaparilla and now he has a good appetite and is able to sleep." Miss ANNIE J. FREEMAN, South Duxbury, Mass.

A Tragedy at the Altar.
 A singular incident is reported from Christian, Bohemia. A loving pair were in church to be united for life. While the priest pronounced the nuptial blessings one of the candles on the altar suddenly went out. This, according to popular tradition, heralds the advent of some great misfortune. The young man, beautiful, and just before a so supremely happy bride, uttered a heart-rending cry and fell senseless into the arms of his distressed lover. She died a few minutes after, still enveloped in her bridal veil.

Births in Holland.
 In several towns in Holland a birth is announced by the exposing of the door of a silk pin cushion, covered and edged by plaited lace, the sex of the infant being shown by the color—for a boy red; for a girl, white. The house which shows in this manner that the number of inhabitants has been increased enjoys by an ancient law and custom various immunities and privileges.

C. A. Rhea was in from Rhea creek yesterday. Mike Kenny was in from Sand Hollow yesterday. F. M. Joutner was in from Eight Mile Friday last. Austin Yocum was over from Rhea creek yesterday. Jay Devin was one of Heppner's visitors on last Saturday.

John McCall's little daughter, Annie, is down with the measles. The infant son of Mr. and Mrs. John Her is reported to be very sick. Nat Hale, John Cochran and F. M. Griffith are up from Ione today.

The family of Asessor A. C. Pettys are down with the measles. Davidson brothers were in from the west side of the county yesterday.

Joe Woolery's little daughter is ill with pneumonia at her Ione home.

Sumner News: Born—On Dec. 29, 1897, to the wife of S. Hornor, a daughter. The young son of Mr. and Mrs. C. A. Misor is down with the common complaint, measles. The familiar face of A. P. Bradbury, the popular knight of the grip, is noticed on our streets today.

A case of scarlet fever is reported at Ione, but whether a severe or mild form, this paper is unable to state.

D. A. Hamilton's folks are down with the measles. In fact measles seem to be prevalent in Heppner. Mrs. Geo. Swagart departed last night for Ione, to be at the bedside of her daughter, Mrs. Lew Klusky.

Wilson Brock, wife and little son departed last night for Portland and Hillsboro, to be absent a few days.

E. D. Evans, owner of the Hotel Heppner, came up from Portland for Saturday to look after his interests in this city.

Rev. Henry Barnhart, of Arlington, preached at the Baptist church last Saturday evening, Sunday morning and evening.

H. W. Bartholomew and Roy Parsell came in Friday from the Alpine ranch. They report the roads in very bad condition.

Yesterday Sheriff Matlock turned over to the county as costs on recent tax sales \$182.50. This pays well for the expense thereto attached.

J. M. Hamblet and wife of Ione, were in Heppner over Sunday visiting friends. Mr. Hamblet is about to leave for California for his health.

R. C. and Tom Brooding were over from Wagon yesterday and left for home this morning loaded with supplies purchased of our merchants.

Missed French and Chas. Roudry will call this week for Alaska, going direct to Skagway, from which place they will go on to the Klondike early in the spring.

Rev. C. R. Howard went out to Liberty school house yesterday to continue the meeting he began there last week. He reports good interest and a large attendance.

Dr. R. F. Vaughan, the dentist, will go down to Ione on Friday next and will remain till Tuesday. Those in that vicinity needing work should avail themselves of the opportunity.

John McFee was down from the Penland ranch yesterday and reports about eight inches of snow up there. Feeding sheep is therefore the necessary exercise each day and will continue to be so long as the snow lasts.

While prospecting over in the country between Sand Hollow and Butler creek recently, Mike Kenny found several colors of gold in pan of black sand taken from a spring. Morrow county will yet prove to be a veritable Klondike.

Dr. J. M. Wilson, the well-known sheep buyer, came in Sunday from Wyoming and will look after the purchase of rams for next season. He will spend his leisure time before starting the flock eastward at Portland and San Francisco.

Edward Oliver, the man who shot Peter French over in Barney county, had his examination last week and was admitted to bail by the justice of the peace in the sum of \$100.00. This is a rather unusual proceeding, but doubtless shows the feeling that exists over there in regard to the killing.

The infant son of Mr. and Mrs. R. W. Turner died on Sunday morning and was buried at Heppner yesterday. The little one was about four months of age and was sick but a very short time with some infantile complaint. The bereaved parents have the sincere sympathy of all in their sad affliction.

Free Green was in town Saturday and reports considerable snow up on the reservation. He was accompanied by Austin Yocum and J. L. Lambert, and while on the way down they had the misfortune to be turned over and dragged for some distance under the sleigh. No one was injured in the least by the mishap, however.

"Uncle" Chas. Anderson is in from Eight Mile today. He recently got buried up under a pile of wheat and would doubtless have been killed had his young son not been present to assist him in extricating himself. As it was he was severely injured and is unable to get around without the assistance of a cane.

The G-ette accidentally omitted a few of the names of those installed at the last meeting of Odd Fellows in Heppner. J. L. Van Winkle was appointed Warden. Officers having previously been elected who took their stations, are: S. P. Devin, V. G.; J. L. Yeager, Sec.; M. Liechtenthal, Treas.; Mr. Liechtenthal has served in this capacity for six or seven years.

For some reason, which our reporter failed to learn, the trade between Minor & Co. and Morrow & Bishop fell through with Minor & Co. still continuing in the business and will proceed at once to move into the "plunger" brick which has been elegantly fitted up for it. It is their intention to put in the largest and most complete stock of general merchandise ever brought to Morrow county, and they will have ample room in which to display their goods.

Newspapers make mistakes as well as people. Pap Minor is not the Knight of the Pepper Box of the order of Owls, as was reported in last issue. Tom Buckley holds the coveted honor and is well qualified for the place. Pap Minor is not shrewdly distinguished, however, for he retains the position of Whittling Owl, or Knight of the Kulling Needle. It is the purpose of this paper to publish fraternal as well as other news, and it makes the correction freely.

LEXINGTON POINTERS.
 Chas. Barnett is on the sick list. Lee Raney is very ill with the measles. Geo. Smith and wife were in town Saturday. Chas. Johnson returned from Salem last Friday morning. Neil Magnuson can boast of having the finest team in Morrow county.

Bill Campbell, one of Social Ridge's farmers, was in our city Saturday. C. A. Hales and family, of Sand Hollow, are visiting the family of R. A. Nichols. John Carmichael and family visited the family of F. Barnard last Sunday.

Johnny McMillan is sick with the measles, and a number of other cases are reported. Nichols & Leach, the merchants of this place, are building an addition to their store building, Mrs. T. S. Drake, wife of Rev. Drake, departed on last Friday night's train for Portland, for medical treatment.

Prof. J. E. Adams and Miss Ada Gentry deserve great praise for the work they are doing in the public school.

Mr. and Mrs. Wicent's nephew, Fred Davis, visited our school on Wednesday. She gave some remarks on education which were appreciated by all the pupils.

We are glad to learn that A. W. Patterson was successful in helping carry off the honors in a debate by the students of the Columbia law school, success to A. W. Patterson. Lexington, Or., January 10, 1898.
