

FROM FOOT TO KNEE

Ohio Woman Suffered Great Agony From a Terrible Sore—Her Story of the Case, and Her Cure.

"For many years I was afflicted with a milk leg, and a few years ago it broke out in a sore and spread from my foot to my knee. I suffered great agony. It would burn and itch all the time and discharge a great deal. My health was good with the exception of this sore. I tried a great many kinds of salve, but some would irritate the sore so that I could hardly stand the pain. I could not get near the fire without suffering intensely. Someone sent me papers containing testimonials of cures by Hood's Sarsaparilla, and I told my husband I would like to try this medicine. He got me a bottle and I found it helped me. I kept on taking it until my limb was completely healed. I cannot praise Hood's Sarsaparilla enough for the great benefit it has been to me. It cleanses the blood of all impurities and leaves it rich and pure." Mrs. ANNA E. EAKEN, Whitesey, Ohio.

You can buy Hood's Sarsaparilla of all druggists. Be sure to get only Hood's.

A Remarkable Cure. Mr. Editor—Dear Sir:—In Justice to Dr. Darrin, who is now stopping at the Palace Hotel, Heppner, until Feb. 10, will say eight years last fall I went to Walla Walla to consult him in reference to my eye. I had suffered untold tortures from neuralgia in the eyes for 15 years previous, so bad at times that the least ray of bright light or cold wind would almost set me crazy. In this condition I called on him at the Stine House. He said he could cure me. I paid his price and took one or two electricity treatments. I came home and would not say from that day to this I have not had one symptom of a return of it. I think it the most remarkable cure on record and would recommend the afflicted public to call on the doctor while he is here and he will do you good, as I am a strong advocate and firm believer in his method of treatment. Can be referred to. I live in Athens. A. L. JONES, June 18, 1897.

Most cases can be treated at home after one visit to the doctor's office. Inquiries answered; circulars and question blanks sent free. All business relations with Dr. Darrin strictly confidential.
