GENTLEMEN—I was recently taken with a severe cold which made me very hoarse and rendered me unable to attend to business. A friend of mine called my attention to your Dr. Bartlett's cough syrup and I bought a bottle, costing me 50 cents, which relieved me at once and completely cured me. I am subject to throat difficulty and I have found nothing that gave me so much relief as this cough cure.

I am informed that it is excellent for colds, bronchitis, whooping cough and all throat and lung troubles. I beg to remain, most truly yours,
