BORN SEPTEMBER 18, 1841.

For more than fifty-six years it has never failed in its weekly visits to the homes of farmers and villagers throughout the U.S.

IT HAS faithfully labored for their prosperity and happiness, for the improvement of their business and home interests, for education, for the elevation of American manhood and true womanhood.

IT HAS told at the fireside, interesting and instructive stories of the doings of the world, the IT HAS fold at the breads, interesting and instructive stolics of instruction and states.

IT HAS advised the farmer as to the most approved methods of cultivating and harvesting his crops, and the proper time to convert them into the largest possible amount of money.

IT HAS led in all matters pertaining to the welfare of farmers and villagers, and for over a half a century has held their confidence and esteem.
