New Arrivals.

Mr. and Mrs. Hynd, their daughters
Misses Annie and Maggie Hynd, and
sons David and Charley and W. G. Hynd
arrived yesterday from Arthur, Ontario,
and will locate in Morrow county with
their sons William and Jack, who have
been in the employ of Mrs. Kilcup for
the past two years until quite recently
when they embarked in the sheep busi-
ness with their cousin, R. F. Hynd.
Morrow county needs more of this class
of people in her midst.

Ladies, take the best. If you are
troubled with constipation, allow skin,
and a tired feeling, take Karl's Clover
Tee. It is pleasant to take. Sold by
Conner & Brock.

Ankle Sprained.
Agent, J. C. Hart, of the O. R. & N.,
met with rather a severe and painful
accident on Wednesday afternoon while
on the way up town from the depot. He
climbed on to the running gear of a
wagon that was bound for town, but had
proceeded but a short distance when
the coupling pole broke, precipitating
Mr. Hart to the ground, and one of the
wheels passing over his leg, badly sprain-
ing it at the ankle joint. No bone was
broken, however, but the accident will
cripple Mr. H. for some little time.

We live in a country of which the prin-
cipal scourge is stomach-trouble.
It is more wide-spread than any other
disease, and, very nearly, more dan-
gerous.

One thing that makes it so dangerous
is that it is so little understood.

If it were better understood, it would
be more feared, more easily cured, less
universal than it is now.

So, those who wish to be cured, take
Shaker Digestive Cordial, because it
goes to the root of the trouble as no
other medicine does. The pure, harm-
less curative herbs and plants, of which
it is composed, are what render it so
certain and, at the same time, so gentle
a cure.

It helps and strengthens the stomach,
purifies and tones up the system.
Sold by druggists, price 10 cents to
\$1.00 per bottle.

To Cure Constipation Forever,
Take Cascarella Candy Cathartic. 10c or 50c.
If C. C. C. fail to cure, druggists refund money.

EIGHT MILE NOTES.

Mr. Sawyer is better, but still very
sick.

Indications of falling weather—very
cloudy and windy.

Ground is getting dry and roads to
Herdman are good now.

W. W. Brannon is expected to move
to his farm in the near future.

Jim Knighten is convalescent, and
some new cases have been reported.

Lennie Ashbaugh has bought him an
organ. It is great company for him.

We used to say "Ed Rood, (he was a
bachelor then) now it is "Mr. and Mrs.
Rood and daughter."

Perhaps when the well drilling com-
pany get several artesian wells bored,
Eight Mile can be easily irrigated, and
vegetables will be easily raised.

Mr. Case Fuqua will soon move to his
farm that he purchased from Grandma
Cantwell, and Chester Saling will occupy
the house Mr. Fuqua is now living in.

Long, long Sundays; no preaching, no
Sunday school, nothing at all going on
at Eight Mile at present. Meetings are
postponed through fear of the measles.

I saw in a recent issue of the Gazette
some things for wives to remember. I
offer a few things for husbands to re-
member:

That women have nerves.

That confidence begets confidence.

Remember that blessed are the meek.

That incidents that occur in a saloon
are never enjoyed by a pure minded
woman when her husband relates them
to her, showing her he considered him-
self a hero in the part he took in the
affair, no matter if he had not been
drinking.

That all men are not angels; if they
are, they keep their wings folded up so
small they are not visible.

That there should be no place like
home; but if it is absolutely necessary
for a husband to go out to spend an
evening pleasantly, never go without
your wife. If she cannot go, stay at
home with her, and entertain her as you
did before you were married. Don't
take up the paper and turn your back to
her, and if she speaks to you snap her
off as short as possible.

That it takes two to prolong a family
jar. No man has a right to find fault
with the arrangement of the house. It
is the wife's kingdom; she reigns queen
there. Does she ever go to her husband's
place of business and find fault with his
arrangements of the place?

Be careful never to do anything to
hurt your wife's feelings. If you do so
always ask pardon, for she loves you
much better than those before whom you
put on your most gentlemanly manners.

Never have a secret from your wife.

She sympathizes with you when you are
in trouble. Always tell her your
troubles.

If you like to see your wife neatly
attired give her the means to buy gar-
ments with.

Don't make your wife beg for money.
She has no right to be found in the
attitude of a beggar. You promised to
support her, and in making home pleas-
ant and comfortable, she pays for all
her living and clothes. Never consider
yourself lord and master; it makes a
wife think you are an unpleasant, domi-
neering fellow, and she will feel that
she is considered a weak woman.

A woman should not be chided for
loving her parents; a strange woman
that would not love them.

Be careful about inviting company to
your home. Never ask your wife to
entertain your friends who are not true
gentlemen.

Your wife should be the one who re-
ceives the most attention and respect
from you in company.

Eight Mile, Feb. 22, 1898.

Something to Know.

It may be worth something to know
that the very best medicine for restoring
the tired out nervous system to a healthy
vigor is Electric Bitters. This medicine
is purely vegetable, acts by giving tone
to the nerve centres in the stomach,
gently stimulates the liver and kidneys,
and aids these organs in throwing off
impurities in the blood. Electric Bitters
improves the appetite, aids digestion,
and is pronounced by those who have
tried it as the very best blood purifier
and nerve tonic. Try it. Sold for 50c
or \$1. per bottle at Bloem Drug Co's,
E. J. Bloem, manager.

The Charity Ball.

The charity ball given on Tuesday
evening at the opera house by Hepp-
ner lodge No. 358, B. F. O. Elks, was a
complete success, both socially and
financially. The hall was very nicely
and appropriately decorated, one of
the chief decorations being a board on which
was displayed the letters B. F. O. E.
made of colored electric lights and when
the current was turned through them
they presented a very pretty sight in-
deed. The music furnished by Prof.
Wm. Birgfeld, Carl Gottfried and J. P.
Benton, of The Dalles, assisted by Mr.
J. C. Hart, of Heppner, was charming
and gave universal satisfaction. This
being the first attempt at a public func-
tion of this kind by the Heppner Elks,
they are much pleased over the grati-
fying results of their efforts.

A Sure Thing for You.

A transaction in which you cannot lose is
surely a thing. Biliousness, sick headache,
tired tongue, fever, piles and a thousand other
ills are caused by constipation and sluggish
liver. Cascarella Candy Cathartic, the won-
derful new liver stimulant and intestinal
tonic are by all druggists guaranteed to cure
or money refunded. C. C. C. are a sure
thing. Try a box today. 10c, 25c, 50c.

Maddock, the horse buyer, is again
here for the purpose of buying another
load of horses for the Seattle trade.
Mr. Maddock brought with him a mon-
strous dog which is quite a sight to see.
The dog is of the St. Bernard breed and
weighs 227 pounds.

Take Cascarella Candy Cathartic. 10c or 50c.

Telephone Extension to Burns.

Isaac Ennes and Thos. Ingram de-
parted yesterday morning by team for
the interior country to begin the work of
extending the line of the Blue Moun-
tain Telephone Co. of Heppner from
Canyon City, the present terminus, on
to Burns in Harney county. The gentle-
men will be absent looking after this
work for five or six months and will not
return to Heppner before the middle of
August or first of September. The en-
terprise shown by our telephone com-
pany in making this important extension
is very commendable and the Gazette
hopes it may prove to be a very success-
ful business venture. The people of
Burns are very anxious for the line to be
built and will give the more substantial
aid.

School House Burned.

The school house situated near Robt.
Dexter's place, was entirely destroyed
by fire Saturday last. There had been
a populist meeting called for that day,
and Uncle Billy Gilliam, Robt. Dexter
and one other whose name we did not
learn, were the only ones who responded
to the call. It being rather cold, they
built a fire in the stove, which was, from
what we learn, rather antiquated, and
when they departed it is supposed they
left considerable fire in the stove, which
either by coals dropping on the floor, or
in some other way unknown, set fire to
the building. This is a severe loss to
the district and will no doubt cause a
late school there this spring. The loss
is placed at \$900.

Two Millions a Year.

When people buy, try, and buy again,
it means they're satisfied. The people of
the United States are now buying Cascarella
Candy Cathartic at the rate of two million
boxes a year and it will be three million be-
fore New Year's. It means merit proved,
that Cascarella is the most delightful bowel
regulator for everybody the year round. All
druggists 10c, 25c, 50c a box, cure guaranteed.

Lutheran Services.

A representative of this paper had the
pleasure of meeting and forming the
acquaintance Tuesday morning of Rev. L.
Grey, of The Dalles, pastor of the Luth-
eran church at that place, and also in
charge of the work of that church in
Morrow county. Rev. Grey is indeed a
very pleasant and affable gentleman,
and one whom it is a great pleasure to
converse with. He was on his way to
Gooseberry to hold services. Rev. Grey
says the new Lutheran church at The
Dalles is now completed at a cost of
\$3500, and it is the intention to dedicate
the new structure the first Sunday after
Easter.

Dreadfully Nervous.

Gents:—I was dreadfully nervous, and
for relief took your Carl's Clover Root
Tee. It quieted my nerves and strength-
ened my whole nervous system. I was
troubled with constipation, kidney and
bowel trouble. Your Tee soon cleansed
my system so thoroughly that I rapidly
regained health and strength. Mrs. S.
A. Sweet, Hartford, Conn. Sold by
Conner & Brock.

A Bad Fall.

One of the members of the Kicksport
troop while on the trapline met with a
very severe fall Wednesday evening.
The screws which held the rope pulled
out of the ceiling while he was swinging
causing him to fall a distance of about
10 feet striking on his shoulder and side
on the floor. Fortunately no bones were
broken or other injury outside of a
severe shaking up. He was able to ap-
pear in other acts later on. The fall
was the result of carelessness in putting
up the bar which we feel safe in saying
will not occur again with this actor.
